Teachers Guide To The Bluford Series:

Teacher's Guide to the Bluford Series Eliza A. Comodromos, 2004 **Once Upon a Time in a Different World** Neal A. Lester, 2010-06-21 This book offers a history and analysis of African American children's literature from its beginnings to the present. Chapters explore issues surrounding race and representation from the race and gender politics of African American hair to the absence of the N word in children's books. *Janet McDonald* Catherine Ross-Stroud, 2008-11-24 Much has been written about the state of Black adolescence, often from a sociological point of view situating Black teens in an at-risk category. However, through her characters, young adult author Janet McDonald (1954-2007) presents the wide range of adolescent life. McDonald especially presents to readers the multifarious views of society in relation to the self-efficacious drive of urban teens to rise above their circumstances by any means necessary. Janet McDonald, *The Original Project Girl* is a bio-critical study of McDonald and her work as it relates to the contributions she has made to the genre of teen fiction. It explains McDonald's profoundly realistic fiction, which holds wide appeal for teens in search of answers to the coming-of-age mystery. Catherine Ross Stroud, in her study of McDonald's works and interviews with the author, has put together a comprehensive resource that will be a useful research tool. **Literacy Coaching** Dale E. It is designed to improve reading, writing, and content learning through literacy infusion into curricular and instructional practices throughout the school. Classroom strategies, specific teacher leadership practices, and resources used successfully in schools are showcased throughout, along with background knowledge and an introduction to fail-safe literacy.
