Turbulence Cry Wolf Lark O. Jensen, 2023-11-07 Perfect for fans of Paige Shelton an Alaskan tour guide is bracing for winter when she realizes that the wolves aren't the only predators on the prowl With boat tours off the coast of Alaska shut down for the winter tour guide Stacie Calder is joining the dedicated team at the Juneau Wildlife World a wild animal sanctuary Along with Sasha her husky companion she's prepared to spend the long season in the scenic park But not everyone is so chipper about the newcomers least of all Stacie's new manager Oliver Brownling He constantly gives Stacie a hard time specifically because she brought Sasha along with her That is until his mauled body is found in a remote part of the sanctuary containing wolves When it becomes clear that a human was responsible for the brutal murder all eyes are on Stacie Encouraged by her friend Officer Liam Amaruq of the Alaskan State Troopers Stacie is resolved to find the murderer

but knows that her investigation will be difficult with the long suspect list she's made. Did the sanctuary director plot to get rid of Oliver? Or maybe it was one of Oliver's coworkers upset over a missed promotion. Stacie wonders about some of the newer employees especially since Oliver's personality made it easy to make enemies. With the weather worsening, Stacie and Sasha are forced to stay at the sanctuary with the wolves and her colleagues. As the storm gets worse, it's clear that this killer has a taste for blood and may strike again. Will Stacie be able to find the murderer or will the hunter become the hunted?

Bear Witness Lark O. Jensen, 2022-05-10 Alaska tour boat guide Stacie Calder faces the deep freeze in this scenic cozy series debut perfect for fans of Paige Shelton. No nine to five cubicle career will suit Stacie Calder, the naturalist much prefers working in the great outdoors. Specifically the spacious and spectacular Alaskan wilderness whose rugged charms she shares with sightseers on the top deck of the tour boat where she works. But one May afternoon Stacie's passengers see more than glittering glaciers frolicking harbor seals climbing bears and soaring seabirds; they also witness a man lying dead in the frigid Alaskan waters. And it seems likely that someone gave him a fatal push. Stacie didn't know the unfortunate victim, but he sure wanted to know a lot about her. He spent most of his final afternoon bombarding her with questions quite awkward to answer. And when he wasn't in her hair, he was arguing incessantly with the boat's beleaguered crew. Which makes for a suspect list about as long as the passenger manifest. Furthermore, as police helicopters relentlessly circle her boat in search of any clues, Stacie is shaken to find herself on that suspect list. Before the tour boat reaches shore, Stacie accompanied by her beautiful blue-eyed husky Sasha must deduce just who sent the testy tourist tumbling into the turgid waters and have the authorities take custody. Because if she can't, then the killer might aim a fatal ice-cold stare at Stacie. **Death by a**
