**Achieve Your Organization's Strategic Plan** Dan Hogan, 2022-03-15 For an enterprise to achieve its vision mission and strategic objectives every team within the organization must do its part But without a Team Management System TMS it can be challenging to keep teams moving in the same direction A strong TMS like the Right Minded Teamwork RMT model taught in this book guides teams to operate

more smoothly and efficiently Your TMS ensures every team in the enterprise is working towards strategic goals with focused clarity allowing your organization to achieve a higher percentage of its strategic goals year over year By following RMT s four phase TMS rollout plan you can create and deploy your own Team Management System align teammate attitudes and work behavior with company values and bring your entire organization together to work as one as you achieve your strategic plan What Is This Book About Right Minded Teamwork RMT is a real world team building method that teaches teammates how to successfully address and resolve issues in an accountable lasting way When interpersonal conflicts and process issues occur Right Minded teammates seek solutions that allow them to do no harm and work together as one to achieve team goals In this book you will learn the RMT approach to establishing an effective enterprise wide TMS In addition to detailed guidance on implementing each of the four phases of RMT s TMS model you will also find operation agreements charters and specific actions to take for the first 90 days and beyond Within the first six to 12 months your RMT TMS will begin paying for itself and within the first year your TMS will demonstrate enterprise wide gains How RMT s TMS Works Four Phases RMT s TMS operates much like your employee performance management system but on a team level Every team in the enterprise sets performance goals that align with the enterprise s strategic plan Then each quarter teams measure and report their progress towards achieving their stated goals To create and deploy your TMS RMT recommends a four phase approach Phase 1 Executive Leadership launches the TMS In this initial phase Right Minded Teamwork is implemented in the executive team RMT is adopted as the enterprise s standard teamwork process and leadership establishes a Steering Team that will launch and initially manage the TMS Phase 2 Steering Team creates organizes and pilots the TMS Here the newly established Steering Team creates the enterprise s startup TMS chooses team facilitators pilots the startup TMS in a few teams and fine tunes the TMS in preparation for a broader enterprise rollout Phase 3 Teams measure and report performance rollout expands to more teams Within three to four months after startup the first quarterly TMS results are reported The TMS is rolled out to more teams over the following 12 to 18 months Within 12 to 24 months TMS quarterly reports demonstrate beneficial enterprise results Phase 4 Full rollout complete TMS continues for growth and sustainability Eventually the TMS is rolled out across the organization and all teams participate At this time with the executive team s support and guidance the Steering Team is transformed into a stable growth and management phase The entire organization continues to use and benefit from the TMS When a single team within an organization works together as one they are effective and productive but when an enterprise works with the same level of synergy it is exponentially more powerful
