As hell, snooping is risky business; sometimes it pays off in unexpected ways. Jenn has been in love with her best friend since college, and despite their years apart, she is determined to at least find out if he has any interest in her. When the opportunity opens up in the form of a job interview in his hometown, she jumps on a plane with a plan to see what happens. Riley walked away from Jenn after college to explore and understand the dark side of him that harbored needs he knew she was too young to understand. They kept in touch, and after years of exploration into his kinks, he's decided the time for hiding the truth from the woman he loved has come to an end. When Jenn finds a BDSM book and a flyer for a local sex club in his condo, she is both shocked and intrigued. Riley catches her red-handed snooping through his things and dares her to give him and his lifestyle a chance. Two days to explore her potential submissive side and see where it leads. With no hesitation and barely a thought to how far he might go, she jumps at the chance to prove she's the woman for him, even if it's just for the weekend.
