Peace in World History Peter Stearns, 2014-04-03 In *Peace in World History* Peter N Stearns examines the ideas of peace that have existed throughout history and how societies have sought to put them into practice Beginning with the status of peace in early hunter gatherer and agricultural societies and continuing through the present day the narrative gives students a clear view of the ways people across the world have understood and striven to achieve peace throughout history Topics covered include Comparison of the pax Romana and pax Sinica of Rome and China Concepts of peace in Buddhism Christianity and Islam and their historical impact The place of peace in the periods of expanding empires The emergence starting in the 19th century of formal schemes to promote peace amid increasingly destructive technologies for warfare Moving away from the view of history as a series of military conflicts *Peace in World History* offers a new way of looking at world history by focusing on peace Showing how concepts of peace have evolved over time even as they have been challenged by war and conflict this lively and engaging narrative enables students to consider peace as a human possibility

Teaching World History in the Twenty-first Century: A Resource Book Heidi Roupp, 2015-02-12 This practical handbook is designed to help anyone who is preparing to teach a world history course or wants to teach it better It includes contributions by experienced teachers who are reshaping world history education and features new approaches to the subject as well as classroom tested practices that have markedly improved world history teaching **Asia in Western and World History: A Guide for Teaching** Ainslie T. Embree, Carol Gluck, 2015-05-20 A guide aimed at introducing students to the history of Asia in conjunction with Western and world history CliffsNotes AP World History Cram Plan James Zucker, 2017-12 This new edition of CliffsNotes AP World History Cram Plan calendarizes a study plan for AP World History test takers depending on how much time they have left before they take the May exam World History through Case Studies David Eaton, 2025-01-23 This innovative textbook demystifies the subject of world history through a diverse range of case studies Each chapter looks at an event person or place commonly included in comprehensive textbooks from prehistory to the present and from across the globe from the Kennewick Man to gladiators and modern day soccer and globalization and digs deeper examining why historians disagree on the subject and why their debates remain relevant today By taking the approach of unwrapping the textbook David Eaton reveals how historians think making it clear that the past is not nearly as tidy as most textbooks suggest Provocative questions like whether ancient Greece was shaped by contact with Egypt provide an entry point into how history professors may sharply disagree on even basic narratives and how historical interpretations can be influenced by contemporary concerns By illuminating these historiographical debates and linking them to key skills required by historians *World History through Case Studies* shows how the study of history is relevant to a new generation of students and teachers
