

Religion & American Culture

Religion And American Culture Journal

Kathryn Gin Lum, Paul Harvey

Religion And American Culture Journal:

The Routledge Handbook of Religion and American Culture Chad E. Seales, 2025-03-31 The Routledge Handbook of Religion and American Culture explains where religion is made in the United States It offers essays profiling cultural sites including energy industry public life music arts and entertainment and life and death These sites organize the volume s 31 chapters demonstrating how cultural religion has been constructed and performed in specific historical and ethnographic case studies This volume offers a much needed resource for Religious Studies scholars and students interested in the study of religion and culture in the United States as well as those in American Studies Anthropology of Religion Sociology of Religion Material Culture Studies Environmental Studies and History

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren t largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America s multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Religion and American Culture David G. Hackett, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

Religion and Sports in American Culture Jeffrey Scholes, Raphael Sassower, 2014-01-03 Religion and Sports in American Culture explores the relationship between religion and modern sports in America Whether found in the religious purpose of ancient Olympic Games in curses believed to plague the Chicago Cubs or in the figure of Tim Tebow religion and sports have been and are still tightly intertwined While there is widespread suspicion that sports are slowly encroaching on the territory historically occupied by religion Scholes and Sassower assert that sports are not replacing religion and that neither is sports a religion Instead the authors look at the relationship between

sports and religion in America from a post secular perspective that looks at both discourses as a part of the same cultural web In this way each institution is able to maintain its own integrity legitimacy and unique expression of cultural values as they relate to each other Utilizing important themes that intersect both religion and sports Scholes and Sassower illuminate the complex and often publicly contentious relationship between the two Appropriate for both classroom use and for the interested non specialist Religion and Sports in American Culture brings pilgrimage sacrifice relics and redemption together in an unexpected cultural continuity

The Oxford Handbook of Religion and Race in American History Kathryn Gin Lum, Paul Harvey, 2018-03-01 The Oxford Handbook of Religion and Race in American History brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview for those interested in the role of religion and race in American history Thirty four scholars from the fields of History Religious Studies Sociology Anthropology and more investigate the complex interdependencies of religion and race from pre Columbian origins to the present The volume addresses the religious experience social realities theologies and sociologies of racialized groups in American religious history as well as the ways that religious myths institutions and practices contributed to their racialization Part One begins with a broad introductory survey outlining some of the major terms and explaining the intersections of race and religions in various traditions and cultures across time Part Two provides chronologically arranged accounts of specific historical periods that follow a narrative of religion and race through four plus centuries Taken together The Oxford Handbook of Religion and Race in American History provides a reliable scholarly text and resource to summarize and guide work in this subject and to help make sense of contemporary issues and dilemmas

Religion, Culture and Politics in the Twentieth-Century United States Mark Hulsether, 2007-05-31 Anyone who seeks to understand the dynamics of culture and politics in the United States must grapple with the importance of religion in its many diverse and contentious manifestations With conservative evangelicals forming the base of the Republican Party racial ethnic communities often organised along religious lines and social political movements on the left including major religious components many of the country s key cultural political debates are carried out through religious discourse Thus it is misleading either to think of the US as a secular society in which religion is marginal or to work with overly narrow understandings of religion which treat it as monolithically conservative or concerned primarily with otherworldly issues In this volume Mark Hulsether introduces the key players and offers a select group of case studies that explore how these players have interacted with major themes and events in US cultural history Students in American Studies and Cultural Studies will appreciate how he frames his analysis using categories such as cultural hegemony race and gender contestation popular culture and empire Key Features Provides a concise introduction to the field Balances a stress on religious diversity with attention to power conflicts within multiculturalism Dramatizes the internal complexity and dynamism of religious communities Brings religious issues into the field of cultural studies building bridges that can enable more informed and constructive discussion of religion in these fields

Provides an integrated view of religion and its importance in recent US history **Yearbook of American & Canadian Churches 2012** Eileen W. Lindner,2012 A Concise Companion to American Studies John Carlos Rowe,2010-02-12 A Companion to American Studies is an essential volume that brings together voices and scholarship from across the spectrum of American experience A collection of 22 original essays which provides an unprecedented introduction to the new American Studies a comparative transnational postcolonial and polylingual discipline Addresses a variety of subjects from foundations and backgrounds to the field to different theories of the new American Studies and issues from globalization and technology to transnationalism and post colonialism Explores the relationship between American Studies and allied fields such as Ethnic Studies Feminist Queer and Latin American Studies Designed to provoke discussion and help students and scholars at all levels develop their own approaches to contemporary American Studies **The Bible in American Life** Philip Goff,Arthur E. Farnsley II,Peter J. Thuesen,2017-03-01 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject that is widely acknowledged but rarely investigated The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context The Bible in American Life provides an unprecedented perspective on the Bible s role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children s Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment **American Examples** Michael J. Altman,2021-11-16 American Examples New Conversations about Religion Volume One is the first in a series of annual anthologies published in partnership with the Department of Religious Studies at The University of Alabama The American Examples initiative gathers scholars from around the world for a series of workshops designed to generate big questions about the study of religion in America Bypassing traditional white Protestant narratives in favor of new perspectives on belief social formation and identity American Examples fellows offer dynamic perspectives on American faith that challenge our understandings of both America and religion as categories In the first volume of this exciting academic project five topically and methodologically diverse scholars vividly reimagine the potential applications of religious history The five chapters of this inaugural volume use case

studies from America broadly conceived to ask larger theoretical questions that are of interest to scholars beyond the subfield of American religious history Prea Persaud's chapter explores the place of Hinduism among the creole religions of the Caribbean while Hannah Scheidt captures what atheist parents say to each other about value systems Travis Warren Cooper explains how the modernist church architecture of Columbus Indiana became central to that city's identity Samah Choudhury dissects how Muslim American comedians navigate Western ideas of knowledge and self to make their jokes and their own selves legible and Emily D Crews uses ethnographic fieldwork to read the female reproductive body among Nigerian Pentecostal congregations Editor Michael J Altman also provides a brief rich introduction assessing the state of the discipline of religious history and how the American Examples project can lead the field forward *Race and New Religious Movements in the USA* Emily Suzanne Clark, Brad Stoddard, 2019-08-08 Organized in chronological order of the founding of each movement this documentary reader brings to life new religious movements from the 18th century to the present It provides students with the tools to understand questions of race religion and American religious history Movements covered include the Church of Jesus Christ of Latter day Saints Mormonism the Native American Church the Moorish Science Temple the Nation of Islam and more The voices included come from both men and women Each chapter focuses on a different new religious movement and features an introduction to the movement including the context of its founding two to four primary source documents about or from the movement suggestions for further reading *The End(s) of Religion* Eric Bain-Selbo, 2022-01-13 Eric Bain Selbo argues that the study of religion from philosophers to psychologists and historians of religion to sociologists has separated out the ends or goals of religion and thus created the conditions by which institutional religion is increasingly irrelevant in contemporary Western culture There is ample evidence that institutional religion is in trouble and little evidence that it will strengthen in the future giving some reason to believe that we are in the process of seeing the end of religion At the same time various cultural practices have met in the past and continue to meet today certain fundamental human needs needs that we might identify as religious that now are being fulfilled through what Bain Selbo calls the religion of culture *The End s of Religion* traces the way that the very study of religion has led to institutional religion being viewed as just one human institution that can address our particular religious needs rather than the sole institution to do so In turn ultimately we can begin to see how other institutions or forms of culture can function to serve these same needs or ends *The Construction of the Supernatural in Euro-American Cultures* Benson Saler, 2021-12-02 This book describes aspects of the concept of the supernatural from the intellectual history of Euro American cultures These samplings shed light on issues in the study of religions and religion rather than attempting to provide either a lineally coherent or exhaustive account of a somewhat fraught and complicated notion Observations include uses of the term among the ancient Greeks and medieval Christian theologians and 19th and 20th century social scientists This book highlights more recent academics who draw on the cognitive and evolutionary sciences in attempting to make sense of recurrent features of the representations and

meta representations of different cultures This includes such counter intuitive notions as the mysterious among the Wayuu of Columbia and Venezuela and vampires in Europe and North America These observations are concluded in a final essay Toward a Realistic and Relevant Science of Religion which presents considered opinions on how we might draw on the cognitive and evolutionary sciences to establish the foundations for a genuinely scientific study of religions and religion Benson Saler sadly passed away shortly after writing this book An appreciation of his work written by Armin W Geertz is included in this volume

Clio in the Classroom Carol Berkin, Margaret S. Crocco, Barbara Winslow, 2009-02-02 Over the last four decades women s history has developed from a new and marginal approach to history to an established and flourishing area of the discipline taught in all history departments Clio in the Classroom makes accessible the content key themes and concepts and pedagogical techniques of U S women s history for all secondary school and college teachers Editors Carol Berkin Margaret S Crocco and Barbara Winslow have brought together a diverse group of educators to provide information and tools for those who are constructing a new syllabus or revitalizing an existing one The essays in this volume provide concise up to date overviews of American women s history from colonial times to the present that include its ethnic racial and regional changes They look at conceptual frameworks key to understanding women s history and American history such as sexuality citizenship consumerism and religion And they offer concrete approaches for the classroom including the use of oral history visual resources material culture and group learning The volume also features a guide to print and digital resources for further information This is an invaluable guide for women and men preparing to incorporate the study of women into their classes as well as for those seeking fresh perspectives for their teaching

The Religions of the American Indians Åke Hultkrantz, 1979 Comprehensive survey of American Indian religion and Tribal religions

American Televangelism and Participatory Cultures Denis J. Bekkering, 2018-10-12 This book examines unintended participatory cultures and media surrounding the American televangelists Robert Tilton and Tammy Faye Bakker Messner It brings to light heavily ironic fan followings print audio and video projects public access television parodies and other comedic participatory practices associated with these controversial preachers from the 1980s onwards For Tilton s ministry some of these activities and artifacts would prove irksome and even threatening particularly an analog video remix turned online viral sensation In contrast Bakker Messner s campy fans gay men attracted to her ludicrous tragedy would provide her unexpected opportunities for career rehabilitation Denis J Bekkering challenges supply side religious economy and branding approaches suggestions of novelty in religion and new media studies and the emphasis on sincere devotion in research on religion and fandom He also highlights how everyday individuals have long participated in public negotiations of Christian authenticity through tongue in cheek play with purported religious fakes

From Sacred to Secular Barbara E. Lacey, 2007 This examination of illustrations in early American books pamphlets magazines almanacs and broadsides provides a new perspective on the social cultural and political environment of the late colonial period and the early republic American

printers and engravers drew upon a rich tradition of Christian visual imagery Used first to inculcate Protestant doctrines regional symbolism later served to promote reverence for the new republic The chapters are devoted to momento mori imagery children s readers visionary literature and illustrated Bibles One chapter shows the demonization of the Indians even as the Indian was being adopted as a symbol of America Other chapters deal with propaganda for the American Revolution canonization of leaders secularized roles for women and socialization of sites in the new nation Throughout analysis of image and text shows how the religious and the secular contrasted coexisted and intermingled in eighteenth century American illustrated imprints Barbara E Lacey is a Professor of history at St Joseph College It includes more than 110 illustrations

Death and Religion in a Changing World Kathleen Garces-Foley,2006 Looking at how religious people approach death in the twenty first century this is a comprehensive study of the intersection of death and religion It describes how people from a variety of faiths draw on and adapt traditional beliefs and practices as they deal with death in modern societies

Evangelicalism Richard Kyle,2017-09-20 Most forms of religion are best understood in the con text of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting,1991

Religion And American Culture Journal Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion And American Culture Journal PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion And American Culture Journal PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while

supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion And American Culture Journal free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion And American Culture Journal Books

1. Where can I buy Religion And American Culture Journal books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Religion And American Culture Journal book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Religion And American Culture Journal books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Religion And American Culture Journal audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Religion And American Culture Journal books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
