by art historian Richard Schiff helps contextualize the developments in Riley's practice since the early 1980s and further emphasizes her influence and lineage as a painter. Rounding out the publication are biographical notes by Robert Kudielka, one of the artist's foremost critics. With a career spanning six decades, Bridget Riley remains one of the most exciting painters today, and *Bridget Riley Works 1981-2015* presents a selection of works from what may be her richest period to date.
