Remember Death Matthew McCullough, 2025-06-10 The Best Way to Find Meaning in Life Is to Get Honest About Death Life expectancy worldwide is twice what it was a hundred years ago And because of modern medicine many of us don't often see death up close That makes it easy to live as if death is someone else's problem Ignoring the certainty of death doesn't protect us from feeling its effects throughout the lives we're living now but it does hold us back from experiencing the powerful everyday relevance of Jesus's promises to us So long as death remains remote and unreal Jesus's promises will too But honesty about death brings hope to life That's the ironic claim at the heart of this book Cultivating death awareness helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday realities of our world where they belong Insightful and Accessible Draws from many sources including research from science and psychology and examples from literature pop culture theology and Scripture Christ Centered Encouragement for Life and Loss Teaching what the Bible says about identity futility and grief McCullough offers hope that is tied to the promises of God Replaces ISBN 978 1 4335 6053 8 , *For His Name's Sake* Nancy Cretacci, 2013-01-18 God deals with us for His name's sake We fail God because we live for our own reasons and desires This purpose of this devotional journal is to help you live a victorious Christian life by listening to God explain to you who He is Each day He reveals to you the meaning of one of His Holy names Come to Him with a humble heart and read listen pray meditate and write down your reflections on the implications of His name for your life As you apply God's leading to your life obey and live that day by bringing glory to His name This practice will make you a lover of God's Word and take you into a deeper relationship with Christ The results of this process will transform you into the worthy title of child of God **Ecopoetics and the Global Landscape** Isabel Sobral

Campos, 2018-12-27 *Ecopoetics and the Global Landscape* Critical Essays surveys ecopoetry from a global perspective across
