Remembrance Of Things I Forgot A Novel:

Remembrance of Things I Forgot Bob Smith, 2011-06-09 It's safe to say your relationship is in trouble if the only way you can imagine solving your problems is by borrowing a time machine. In 2006 comic book dealer John Sherkston has decided to break up with his physicist boyfriend Taylor Esgard on the very day Taylor announces he's finally perfected a time machine for the U.S. government. John travels back to 1986 where he encounters Junior, his younger, more innocent self. When Junior starts to flirt, John wonders how to reveal his identity. In you only with less hair and problems you can't imagine. He also meets up with the younger Taylor and this unlikely trio teams up to plot a course around their future relationship troubles, prevent John's sister from making a tragic decision and stop George W. Bush from becoming president. In this wickedly comic cross-country time-bending journey, John confronts his own and the nation's blunders, learning that a second chance at changing things for the better also brings new opportunities to screw them up. Through edgy humor, time travel and droll one-liners, Bob Smith examines family dysfunction, suicide, New York City and recent American history while effortlessly blending domestic comedy with science fiction. Part acidic political satire, part wild comedy and part poignant social scrutiny, *Remembrance of Things I Forgot* is an uproarious adventure filled with sharp observations about our recent past. InSight Out Book Club featured selection. Bob Smith named one of *Instinct* magazine's Leading Men 2011. Winner Barbara Gittings Literature Award, Stonewall Book Awards, American Library Association Finalist, Over the Rainbow Selection, American Library Association Finalist, Green Carnation Prize, international prize for LGBT Literature, Amazon Top Ten Gay Lesbian Books of 2011, Best Books for General Audiences selected by the American Association of School Librarians, Best Books for General Audiences selected by the Public Library Reviewers. **The Book of Lost Hours** Hayley

Gelfuso, 2025-08-26 For fans of *The Ministry of Time* and *The Midnight Library*, a sweeping unforgettable novel moving from pre-WWII Germany to Cold War era America to the mysterious time space, a library filled with books containing the memories of those who bore witness to history. Nuremberg, 1938. On the night of Kristallnacht, eleven-year-old Lisavet Levy is hidden by her father from approaching forces in a mysterious place called the time space, a library where all the memories of the past are stored inside of books. When her father doesn't return for her, she becomes trapped, spending her adolescence walking through the memories of those who lived before. When she discovers that living timekeepers are entering the time space to destroy memories and maintain their preferred version of history, Lisavet sets about trying to salvage the past, creating her own book of lost memories. Until one day in 1949 when she meets an American timekeeper named Ernest Duquesne who is intent on keeping her from her task. What ensues sets her on a course to change history and the time space itself forever. Boston, 1965. Amelia Duquesne is mourning the death of her uncle and guardian Ernest when she's approached by Moira, the enigmatic head of the CIA's highly secretive Temporal Reconnaissance Program. Moira tells her about the existence of the time space, accessed only by specially designed watches whose intricate mechanisms have been lost to time, and enlists her

help in recovering a strange book her uncle had once sought But Amelia quickly realizes that the past and the truth are not as straightforward as Moira would like her to believe A sweeping cinematic love story this feat of imagination explores memory time and the lengths we will go to in order to protect the existence of those we love **The Lost Geopoetic Horizon of Li Jieren** Kenny Kwok-kwan Ng,2015-03-10 Engaged with the paradigms of cultural geography local history spatial politics and everyday life The Lost Geopoetic Horizon of Li Jieren unveils a Sichuan writer s lifelong quest an independent historical fiction writing project on Chengdu from the turn of the century through China s 1911 Revolution Kenny Kwok kwan Ng s study illuminates the crisis of writing home in a globalized age by rescuing Li Jieren s repeatedly revised but never finished river novel series written from Republican to Communist China struggling to liberate local memory from the national cum revolutionary currents The book undercuts official historiography and rewrites Chinese literary history from the ground up by highlighting Li s resilient geopoetics of writing that decenters the nation by adopting the place based view of a distant province **Proust's In Search of Lost Time** Katherine L.
