Remy The Real Series:

Remy Katy Evans, 2013-11-26 New York Times bestselling author Katy Evans expands upon the intense love story begun in *Real* and *Mine* this time from Remington Riptide Tate's point of view. In *REAL* and *MINE* Brooke introduced you to Remington Tate. Now witness their story through his eyes. What moves a man as complex as Remington Tate? Let him tell you in his own words. Underground circuit fighter Remington Tate is a mystery even to himself. His mind is dark and light, tortured and enlightening. At times his actions and moods are carefully measured; at others they spin out of control. No woman before Brooke Dumas has ever glimpsed his deepest secrets, his most intense passions. But from the first moment he laid eyes on her, he knew without a doubt she would be the realest thing he's ever had to fight for. Through it all, there's been one constant: wanting, needing, loving and protecting Brooke. Now as the couple takes their overpoweringly sensual bond to the next level, enter the unique mind of Remington Tate. Brooke's *Real* [Manwhore +1](#) Katy Evans, 2015-07-07 Malcolm Saint was an assignment. A story. A beautiful, difficult man she was supposed to uncover for a racy expose. She intended to reveal him, his secrets, his lifestyle, not let him reveal her. But her head was overtaken by her heart, and suddenly nothing could stop her from falling. She fell for him and fell hard. Malcolm Saint is absolute sin, and she's become a hopeless sinner. Now that the assignment is over, Saint wants something from her, something unexpected. [Lake of Sins Series Box Set Books 1-3: A dystopian, genetic engineering, adventure fantasy boxset](#) L. S. O'Dea, 2017-05-28 Books 1-3 in the series filled with human-animal hybrids where class determines imprisonment or freedom. Escape. Every year after harvest, the weakest are removed from the encampment. None of them are ever seen or heard from again. Trinity's only hope of escape lies in the forest. She's not afraid of the creatures that live there. There's nothing bigger than foxes in those woods, except this time something is different. This time she's hunted from land and sea by predators that should only exist in legends. Surrounded by three enemies, surrender is her only option, but which one should she choose? A captivating dystopian read filled with human-animal hybrids and creatures you've never even imagined. *Secrets In Blood* The disturbing and yet exciting sequel to *Lake of Sins*. Escape. Having discovered the horrible fate of her kind, Trinity has left her family behind and is fleeing from the Almighty. Her friends have promised to help her, but they don't know that her blood holds a secret that some in power want revealed, and others want destroyed. Hugh Truent, an Almighty, learns that Trinity is a product of the mating of two different classes, which is impossible, but if it's true, it's the discovery of a lifetime. He must catch her before she is destroyed, but someone will stop at nothing to ensure he fails, putting his life and the lives of those he loves in danger. Hangman's Army. A rebellion is brewing in the world of the *Lake of Sins*, while Hugh Truent sits in prison, days away from his execution. After taking his findings about the genetic similarities between the classes to the Supreme Almighty and the Council, Hugh had been arrested for treason, and all his evidence had vanished as if made from smoke. To protect his family, he cut off all contact with the outside world while he sat in prison for over four years, waiting for his execution. He has no idea that some of his reports were

leaked to the other classes and that civil war looms on the horizon Trinity and her friends have no hope of winning the war unless they can unite the classes In order to do that they need someone everyone will follow They need the one person all the classes trust and believe in They need Hugh That means they have to break him out of a maximum security prison and convince him to lead their army but that won't be easy because Hugh wants revenge and he's not going to let anything get in his way especially mouthy attractive know it all Trinity Interview with the Author Q So why should someone read the Lake of Sins series Well because it's great smiles However if you're looking for your typical dystopian post apocalyptic survival thriller then you should look somewhere else This story has been described as a one of a kind world created in a unique dystopian society The characters in the series are human animal hybrids genetic mutations or evil experiments is yet to be revealed It's an entire new species of characters who don't fit in the typical genre categories of vampire werewolf witch fairies or even angels and demons The world of the Lake of Sins is segregated by class with the humans ruling supreme In book one Escape Trinity a sixteen year old Producer the lowest of the classes unwittingly sets off a collision between the classes when she flees into the forest to discover the fate of the teenagers who are removed from camp every year after harvest Some say they are taken to another camp to keep bloodlines strong Others say they are tortured No one knows and Trinity is determined to find out but what she doesn't expect is to be hunted by mutant creatures and predators long thought to be extinct The books are fast paced with adventure and mutated creatures around every corner There are legends that are truth and societal truths that are well guarded lies All in all it's a unique and exciting read and you should give it a try I think you'll love it The Chimera Chronicles series also takes place in the world of the Lake of Sins These stories are prequels explaining how some of the characters who you meet in the Lake of Sins series became monsters Q Who should read the Lake of Sins series Although there's a strong female lead in Lake of Sins the audience for both series is broad I have fans male and female aged ten through eighty Anyone who likes gory thrillers that are dark a little disturbing and packed with action will enjoy these books However a word of caution is in order These books are not for the squeamish Some scenes are bloody and violent almost falling into the horror genre but the interactions between the characters are funny poignant and loving and a love triangle develops as the stories progress Still I wouldn't recommend these books to anyone under thirteen without the parents reading the books first Max Starr, Complete Series Jasmine Haynes, Jennifer Skully, 2019-08-02 A ghost a psychic and one very hunky detective all tied up with a bit of murder and mayhem Thirty something down on her luck accountant Max Starr has the unfortunate gift of being psychic a newly discovered wrinkle in her already messed up life Her husband Cameron is dead killed in a botched 7 11 robbery two years ago In her grief Max has cut herself off from friends moved out of her San Francisco home in favor of a studio apartment and dumped her flourishing career as a CPA to do temp work Now Max has developed an annoying penchant for attracting the spirits of murdered women Okay they possess her And to exorcise them Max must unmask their killers But how By stepping into the void their deaths created taking their jobs
