An Educational Do-it-yourself Credit Repair Kit Joe P. Sainz,1998      *Rich Forever* Bianca Miller-Cole,Byron Cole,2023-10-12 We all want financial freedom But we also know just how much pressure the subject of money exerts on us and many of us feel our personal finances are out of control But that s not surprising after all no one ever explained how to manage money properly or if they did we didn t listen If a head in the sand approach to personal finance ever worked it doesn t now Not only do we openly worry about the state of our finances and the cost of living we increasingly yearn for the kind of financial independence which will enable us to do our own thing and live life to the full This paradox is right at the heart of everything we do and a solution is needed This book will teach you everything you should have learned about money at school but didn t It will stop you waking in the middle of the night to check you have enough money for your home your childcare your summer holiday or your secret masterplan And the process of learning how to embrace not hide from your financial responsibilities will release you from layers of anxiety shame and confusion You will learn how to be rich forever rich in time rich in freedom rich in opportunity It will revolutionise the way you think and feel about money and free you to grow      **Report** Chicago (Ill.).
