Sri Lanka Education Sector Assessment Halil Dundar, Benoit Millot, Michelle Riboud, Mari Shoji, Harsha Aturupane, Sangeeta Goyal, Dhushyanth Raju, 2017-06-16. A country's education system plays a pivotal role in promoting economic growth and shared prosperity. Sri Lanka has enjoyed high school attainment and enrollment rates for several decades. However, it still faces major challenges in the education sector and these challenges undermine the country's inclusive growth goal and its ambition to become a competitive upper middle income country. The authors of Sri Lanka Education Sector Assessment: Achievements, Challenges and Policy Options offer a thorough review of Sri Lanka's education

sector from early childhood education through higher education With this book they attempt to answer three questions How is Sri Lanka s education system performing especially with respect to participation rates learningoutcomes and labor market outcomes How can the country address the challenges at each stage of the education process taking into accountboth country and international experience and also best practices Which policy actions should Sri Lanka make a priority for the short and medium term The authors identify the most critical constraints on performance and present strategic priorities and policyoptions to address them To attain inclusive growth and become globally competitive Sri Lanka needs toembark on integrated reforms across all levels of education These reforms must address both short termskill shortages and long term productivity As Sri Lanka moves up the development ladder the prioritiesof primary secondary and postsecondary education must be aligned to meet the increasingly complexeducation and skill requirements **Thomas Cook Overseas Timetable**,1992-11
