## **Tin Men English Edition:**

Thomas Aquinas on War and Peace Gregory M. Reichberg, 2016-10-13 Inquiring whether any war can be just Thomas Aquinas famously responded that this may hold true provided the war is conducted by a legitimate authority for a just cause and with an upright intention Virtually all accounts of just war from the Middle Ages to the current day make reference to this threefold formula But due in large measure to its very succinctness Aquinas's theory has prompted contrasting interpretations This book sets the record straight by surveying the wide range of texts in his literary corpus that have bearing on peace and the ethics of war Thereby emerges a coherent and nuanced picture of just war as set within his systematic moral theory It is shown how Aquinas deftly combined elements from earlier authors and how his teaching has fruitfully propelled inquiry on this important topic by his fellow scholastics later legal theorists such as Grotius and contemporary philosophers of just war A Dictionary, English-Latin and Latin-English ... The second edition, enlarged Elisha COLES (Lexicographer), 1679 *The English Monster* Lloyd Shepherd, 2012-05-29 Two moments in England's rise to empire separated by centuries yet connected by a crime that cannot be forgiven London 1811 Along the twisting streets of Wapping bounded by the ancient Ratcliffe Highway and the modern wonder of the London Dock many a sin is hidden by the noise and glory of Trade But now two families have fallen victim to foul murder and Charles Horton a senior officer of the newly formed Thames River Police Office must deliver revenge to a terrified populace Plymouth 1564 Young Billy Ablass arrives in the busy seaport with the burning desire of all young men the getting and keeping of money Setting sail on a ship owned by Queen Elizabeth herself seems the likely means to a better life But the kidnapping of hundreds of human souls in Africa is not the only cursed event to occur on England's first official slaving voyage On a sun blasted Florida islet Billy too is to be enslaved Based on the true story of the gruesome Ratcliffe Highway murders *The English Monster* is a breathtaking voyage across centuries from the Age of Discovery to the Age of Empire illuminating what happens to Britain as she gains global power but risks losing her soul The New And Complete Dictionary Of The German And English Languages Johann Ebers, 1798
