

Topic 3 Study Guide

This study guide is optional. It is not an assignment and cannot be submitted. The purpose of the study guide is to prepare for the topic quiz. The more answers you find in the topic reading, the better you will be prepared. All answers can be found in the topic reading. *The quiz will be graded for accuracy*, so take time to seek the correct answers for this topic study guide before you attempt the quiz. Once you start the quiz, *do not* exit the quiz until the *entire* quiz is completed. Exiting out of the quiz before it is complete may result in a zero grade.
