Time After Time David Wood,2007-07-09 In *Time After Time* David Wood accepts without pessimism the broad postmodern idea of the end of time Wood exposes the rich stratified and non linear textures of temporal complexity that characterize our world Time includes breakdowns repetitions memories and narratives that confuse a clear and open understanding of what it means to occupy time and space In these thoughtful and powerful essays Wood engages Kierkegaard Nietzsche Heidegger and Derrida to demonstrate how repetition can preserve sameness and how creativity can interrupt time Wood s original thinking about time charts a course through the breakdown in our trust in history and progress and poses a daring and productive way of doing phenomenology and deconstruction *Time After Time* L. The Barrel and Box, 1909 *Prayer and Prayer Activities* Gill Ambrose, 2013-04-26 ROOTS is a joint initiative by all the mainstream churches in the UK and Ireland. For ten years it has provided lectionary based resources for worship and learning for the whole church. Over 10,000 local churches use its regular magazine and online programmes. This versatile and adaptable participative prayer resource for all age worship is taken from the extensive material the ROOTS authors have created. Based on the lectionary readings for each Sunday of Years A B C, it includes gathering prayers, seasonal prayers of thanksgiving, a creative response to the day's readings, responsive prayers of intercession, a children's prayer activity, an all age prayer activity, responsive prayers for sending out. All the texts can be downloaded or projected from the accompanying CD Rom. **Between the Ambo and the Altar** Guerric DeBona, 2014-10-02 The publication of The Roman Missal Third Edition offers an opportunity for homilists to explore the relationship between the Sunday readings and the new Roman Missal. Between the Ambo and the Altar is the second book, Year B, in a three volume series that presents scriptural, liturgical, and preaching commentary for Sundays, solemnities, and feasts throughout the year. Each Sunday's resources are presented in three sections: exploring the Scripture, connecting the Lectionary with the liturgy, and a homiletic strategy. DeBona takes the preacher through a meditation on the language of the Missal, suggests parallels to the Sunday Lectionary, and gives practical homiletic strategies using core themes and images. It is hoped that the commentary advances a framework for homily preparation so that preachers might savor the deep meaning of the word of God which unfolds each year in the liturgy.
