The American Beauty Industry Encyclopedia Julie Willett, 2010-05-11 This is the first encyclopedia to focus exclusively on the many aspects of the

American beauty industry covering both its diverse origins and its global reach The American Beauty Industry Encyclopedia is the first compilation to focus exclusively on this pervasive business covering both its diverse origins and global reach More than 100 entries were chosen specifically to illuminate the most iconic aspects of the industry s past and present exploring the meaning of beauty practices and products often while making analytical use of categories such as gender race sexuality and stages of the lifecycle Focusing primarily on the late 19th and 20th century American beauty industry an era of unprecedented expansion the encyclopedia covers ancient practices and the latest trends and provides a historical examination of institutions entrepreneurs styles and technological innovations It covers for example the 1911 Triangle Shirtwaist Factory fire as well as how Asian women today are having muscle fiber removed from their calves to create a more Western look Entries also explore how the industry reflects social movements and concerns that are inextricably bound to religion feminism the health and safety of consumers and workers the treatment of animals and environmental sustainability

Reality Bites Back Jennifer L. Pozner,2010-10-19 Nearly every night on every major network unscripted but carefully crafted reality TV shows routinely glorify retrograde stereotypes that most people would assume got left behind 35 years ago In Reality Bites Back media critic Jennifer L. Pozner aims a critical analytical lens at a trend most people dismiss as harmless fluff She deconstructs reality TV s twisted fairytales to demonstrate that far from being simple guilty pleasures these programs are actually guilty of fomenting gender war ideology and significantly affecting the intellectual and political development of this generation s young viewers She lays out the cultural biases promoted by reality TV about gender race class sexuality and consumerism and explores how those biases shape and reflect our cultural perceptions of who we are what we re valued for and what we should view as our place in society Smart and informative Reality Bites Back arms readers with the tools they need to understand and challenge the stereotypes reality TV reinforces and ultimately to demand accountability from the corporations responsible for this contemporary cultural attack on three decades of feminist progress

Reality Gendervision Brenda R. Weber,2014-03-03 This essay collection focuses on the gendered dimensions of reality television in both the United States and Great Britain Through close readings of a wide range of reality programming from Finding Sarah and Sister Wives to Ghost Adventures and Deadliest Warrior the contributors think through questions of femininity and masculinity as they relate to the intersections of gender race class and sexuality They connect the genre s combination of real people and surreal experiences of authenticity and artifice to the production of identity and norms of citizenship the commodification of selfhood and the naturalization of regimes of power Whether assessing the Kardashian family brand portrayals of hoarders or big family programs such as 19 Kids and Counting the contributors analyze reality television as a relevant site for the production and performance of gender In the process they illuminate the larger neoliberal and postfeminist contexts in which reality TV is produced promoted watched and experienced Contributors David Greven Dana Heller Su Holmes Deborah Jermyn Misha Kavka Amanda Ann Klein Susan Lepselter Diane Negra Laurie Ouellette
