Genesis, Science, and the Beginning Benjamin D. Smith,2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth Many Christians are divided over how to reconcile Genesis with modern science and this book evaluates all of the major options ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate A former Young Earth creationist Smith now believes that the age of creation is not specified in the Bible and therefore scientists are free to answer the question He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy

Hanson, 2008-02 Discouragement or depression is real and personal While separate the two moods have a definite tie between them The stages of the discouragement lead naturally to the forming of the depression While discouragement reflects an attitude of dismay and depression reflects darkness of the soul both begin with the word distraction Many are concerned with depression to the neglect of discouragement Yet to deal with depression before discouragement is like putting the cart before the horse For these reasons the author believes it is essential to deal first with the subject of discouragement If discouragement is handled God's way it will go a long way to divert or stop the path to depression Discouragement and depression have similar causes and solutions Moreover there is one key operative word connected with both which is response This book provides insights on the kind of response necessary for handling the force of both subjects Robert A Hanson has served as pastor of Bible Baptist Church in Plymouth Massachusetts for thirty six years He also served as senior chaplain for Plymouth County Jail and Correctional Facility for twenty two years The Church under his ministry has enjoyed the blessing of seeing a number enter the ministry with ten serving as Pastors Robert received his education at Providence Barrington Bible College Talbot Theological Seminary Los Angeles Theological Seminary and The Graduate School of Theology in California Beyond pastoring four churches in New England and California he has taught in both college and seminary His travels have taken him to many parts of the world including India as part of an extension teaching ministry Robert and his wife Barbara conduct Straight to the Heart and Road to Renewal conferences in various churches The Hansons have five children and seventeen grandchildren
