Gorini,2008-05 Yes you can know God The Holy Scriptures stand the test of time as a loving invitation from the Creator of the universe to enter into an intimate relationship with Him Take another step on your journey into truth Let insight into God s Word the two edged sword of the Spirit cut through the thousands of years of religious counterfeit that has dimmed the vision of those whose hearts long to know Him Your next step in coming to the knowledge of God may be in your hands right now As the apostle Paul said concerning the quest to know the Unknown God Him I preach to you Go ahead scan the main points at the end of each chapter and make your decision to accept the invitation You will be gently ushered by the Spirit of revelation into the mysteries of the kingdom of God Pastor Fred Gorini is a loving husband and father who along with his covenant wife of 33 years founded a local church in Daytona Beach Florida 25 years ago A strong believer in the local church Pastor Fred continues to serve at Rock Church of Daytona Beach The dedicated pastoral staff and elders there are preparing the next

generation to walk in uncompromised Biblical truth Pastor Fred s visionary teachings are seasoned with prophetic insight that has edified the local church in his own community as well as in many relationally networked congregations around the United States of America His revelation of the Word of God has been tested and proven not only in the United States but also in several nations of South America Asia and Africa Regardless of the many challenges the local church is facing in its desire to manifest the kingdom of God on earth Pastor Fred insists that the true gospel really is good news for whosoever will believe

*A Luminous Brotherhood* Emily Suzanne Clark,2016-08-26 In the midst of a nineteenth century boom in spiritual experimentation the Cercle Harmonique a remarkable group of African descended men practiced Spiritualism in heavily Catholic New Orleans from just before the Civil War to the end of Reconstruction In this first comprehensive history of the Cercle Emily Suzanne Clark illuminates how highly diverse religious practices wind in significant ways through American life culture and history Clark shows that the beliefs and practices of Spiritualism helped Afro Creoles mediate the political and social changes in New Orleans as free blacks suffered increasingly restrictive laws and then met with violent resistance to suffrage and racial equality Drawing on fascinating records of actual s ance practices the lives of the mediums and larger citywide and national contexts Clark reveals how the messages that the Cercle received from the spirit world offered its members rich religious experiences as well as a forum for political activism inspired by republican ideals Messages from departed souls including Fran ois Rabelais Abraham Lincoln John Brown Robert E Lee Emanuel Swedenborg and even Confucius discussed government structures the moral progress of humanity and equality The Afro Creole Spiritualists were encouraged to continue struggling for justice in a new world where bright spirits would replace raced bodies **Hagar Lot:**

Ingram,2015-08-25 Some Christians believe strongly in the existence of demons and spiritual warfare Others downplay or even ignore the idea With such divergent views how are Christians supposed to know the truth about demonic forces at work in this world The Invisible War examines what every believer needs to know about Satan demons and spiritual warfare offering a balanced look at this controversial subject This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer Now repackaged for a new generation The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves Fiction Victor Hugo,1894 **War in a Bottle** Dr. Joseph Luxum,2012-07-10 The Supernatural Power of Peace All people contain DNA Recent studies have revealed that genes remember the past and to a

certain extent can influence the present The environment in which we live influences not only the development of our psyche but also the overall disposition in which genes play a larger role than previously thought In Matthew 5 9 Jesus declared Blessed are the peacemakers for they will be called sons of God Just as the Word suggests it is not the war makers that are blessed but the peacemakers Whatever we scarcely pay attention to as being unattractive and not dramatic enough to grab our attention God chose to astound the world First Corinthians 1 25 says The foolishness of God is wiser than men and the weakness of God is stronger than men This book deals with the supernatural nature of peace which actually heals and restores More than ever before the modern lifestyle robs us of peace as a result people seek an escape from stress Some find it in chemical substances others in time off relaxation or meditation But there is a peace that surpasses human understanding Like walking firebombs which are bottles filled with petrol ready to go off some people go through life without any purpose As the title of this book suggests the bottle must be emptied of all flammable substances for only then one will find the much sought after commodity which is the healing and restoring power of peace     **The Business Educator** ,1916     **The Tablet** ,1890     *Michigan Christian Advocate* ,1909     *Jane Sinclair* William Carleton,1881     *The Englishman's Magazine* ,1842     **The Unknown God** Jon Walker,2015-09-11 There s a danger in following a God we don t even know we become vulnerable to the idea that we must constantly try harder to please God This book exposes the myths that keep us feeling like God is always judging and condemning us If you ve ever felt that it s impossible to please God this book is for you Too many of us are following a mythical god who we think is always mad and always looking to catch us doing something wrong or even worse condemning us when we fail to do the right thing The sad thing is we teach this repeatedly in the church and believe this again and again in our Christian walk because we follow an Unknown God This teaching locks us in a behavior based Christianity that demands we keep trying harder But God never meant for us to become slaves to condemnation Instead of trying harder he wants us to trust more Get to know God and understand that all of his commandments are meant to help us live in fellowship with Jesus     **The Open Court** ,1894
