Talkabout Assessment of Social Skills Alex Kelly,Naomi Pearson,2024-06-28 The purchase of the TASS manual includes access to the downloadable assessment tool for one user If you would like to purchase additional downloads for multiple users please email TASS tandf co uk For more information on the TASS and the Talkabout series as well as helpful videos and guidance developed by the authors please visit <https://routledgelearning.com> TASS Talkabout Assessment of Social Skills TASS is an assessment tool using a software programme which allows education and healthcare professionals to input and analyse the assessment of social skills It gathers information from key sources to

provide a holistic view of a person's social communication and uses rating scales to enable quantitative analysis of intervention. The TASS includes a rating of a person's social communication skills nonverbal verbal and assertiveness but also assesses a person within a broader context of social skills including associated factors and quality of life indicators and an assessment of self awareness and self esteem. The TASS is divided into five sections: 1 Initial information this section gathers information from significant others and includes reasons for referral long term goals and an initial action plan; 2 Interview a one to one interview to assess self awareness and self esteem; 3 Self rating scale an optional part of the assessment dependent on age and ability which asks the person to rate their own social communication and identify factors which are important to them; 4 TASS an updated version of the original Talkabout Assessment Tool which includes sections on body language the way we talk conversational and assertiveness skills; 5 Summary this final part provides summary charts of all sections and areas of high priority. The TASS software programme is supported by an accompanying manual which includes an overview of the resource and guidelines for each section in addition to worked examples and photocopiable versions of the digital forms. This complete assessment tool is a valuable resource for anyone working the area of social communication and is suitable for use by both individual practitioners and teams. TASS should be run on Windows 10 with Java 11 or above installed. For best performance use a 15 inch display a 1920 x 1080 or higher resolution and an I5 or above processor. The TASS software is not suitable for Macs.
