RCC Related Information

The product has been manufactured in compliance with the rules for video display devices approved in 1995 in the U.S.A. These rules state that display devices must not emit excessive electromagnetic radiation exceeding the limits. The equipment complies with these rules and has been tested to ensure that it meets the limits for electromagnetic radiation.

However, there is no guarantee that electromagnetic interference will not occur in a particular location. If the equipment does not function properly in a particular location, it may be necessary to move it to a different location. To ensure the equipment is off and on, the user is recommended to do so in order to be able to use the following features:

- 1. Receiver to reduce the receiving antenna.
- 2. Receiver to reduce the receiving antenna.

Product recall information can be obtained from the manufacturer's website. The manufacturer's website is located at the following URL: www.sony.com

For Customers in Canada

For more information, please refer to the 3D Sync Transmitter and Receiver instruction manual.
