think about the language for instance English has quite a few routes to it like Latin so quite a few words are very similar even though the accent can throw us off It sounds like proper English for instance disgraceful which means scandaloso in Italian which is nearly the same in English I believe there is no right or wrong way to learn it depends on what you want it for You may want to practise it on holidays or you may want to read the Italian newspapers so sometimes you do not necessarily have to learn the alphabet or the grammar I like to read newspapers on holidays and watch films in Italian that is why I wanted to learn it It can also be useful in attaining knowledge for quizzes The only good criticism is a constructive one not a destructive one Matthew Lawry I hope you enjoy this book as much as I have in writing it *Airman's Guide* ,1950 **Insurance**
