Introduction to Teaching Making a Difference in Student Learning is grounded in the realities and complexities found in today's schools. Acclaimed authors Gene E. Hall, Linda F. Quinn, and Donna M. Gollnick thoroughly prepare readers to make a difference as teachers presenting firsthand stories and evidence-based practices while offering a student-centered approach to learning. The authors focus on how to address one of the biggest challenges facing many of today's schools: ensuring that all students are learning and help teachers prioritize student learning as their primary focus. From true-to-life challenges that future teachers will face such as high-stakes testing, reduced funding, low retention, and Common Core State Standards to the inspiration and joy they will experience throughout their teaching careers, the Third Edition paints an importantly authentic picture of the real life of a teacher.

Constructed Responses for Learning Warren Combs, 2016-02-05

Teaching students to write constructed responses does not have to become a test prep chore. An intentional routine of constructed responses provides powerful opportunities to teach strategic thinking through writing that also deepens students' knowledge about core subjects. In this clear guide from education consultant Warren Combs, you'll learn how and why to teach students to write these short essays no matter what subject or grade level you teach. Special features include writing prompts that are based on Webb's Depth of Knowledge (DOK) and provide practice for students at all skill levels; practical strategies to build critical thinking and improve students' writing, including sentence stems, acrostics, framed stories, analogies, and quad clusters; student self-assessment guidelines and rigorous peer response strategies; an interactive log to help you manage best practices and keep students engaged; Reading/Writing Modules to help you review and implement the instructional practices and strategies; sample student work at different levels with analysis. Throughout the book, you'll find handy tools such as rubrics, logs, and checklists. These tools are also available as free eResources on our website www.routledge.com/9781138931046 so you can download and print them for immediate use.
