The Churchman, 1890

Argument for Mind Jerome Kagan, 2006-01-01 In this elegantly written book Jerome Kagan melds the history of the field of psychology during the past 50 years with the story of his own research efforts of the same period and an analysis of what he terms the currently rocky romance between psychology and biology As Kagan unwinds his own history he reveals the seminal events that have shaped his career and discusses how his assumptions have changed With full appreciation for the contributions to psychology of history philosophy literature and neuroscience he approaches a wide range of fascinating topics including middot the abandonment of orthodox forms of behaviorism and psychoanalysis middot the forces that inspired later twentieth century curiosity about young children middot why B F Skinner chose to study psychology middot why the study of science less often ignites imaginations today middot our society's obsession with erotic love middot the resurgence of religious fanaticism and the religious Right Embedded in Kagan's discussions is a rejection of the current notion that a mature neuroscience will eventually replace psychology He argues that a complete understanding of brain is not synonymous with a full explanation of mind and he concludes with a brief prediction of the next five decades in the field of psychology

Lady Chatterley Derek Britton, 2023-03-31 First published in 1988 Lady Chatterley explores the events and experiences which surrounded D H Lawrence's writing of his infamous last novel Lady Chatterley's Lover The account begins with Lawrence's return to Europe in September 1925 and ends with the publication in June 1928 of the final draft of a novel which exists in three related yet dissimilar versions Derek Britton adds a great deal of new material to the established facts and theories concerning Lawrence's life and work during this period In the chapters covering Lawrence's

return to the Midlands in September 1926 when the collapse of the national miners strike in that area was imminent a detailed reconstruction of Lawrence s journeys and experiences reveals the extent to which the themes of the novel the social and physical aspects of the landscape and Lawrence s initial impulse to write depended crucially on the author s last visit to his native region This book will appeal both to those with special interests in Lawrence and the modern novel and to the general reader

Eastern Band Cherokee Women Virginia Moore Carney,2005 For the first time the voices of Eastern Band Cherokee women receive their proper due A watershed event this book unearths three centuries of previously unknown and largely ignored speeches letters and other writings from Eastern Band Cherokee women Like other Native American tribes the Cherokees endured numerous hardships at the hands of the United States government As their heritage came under assault so did their desire to keep their traditions The Eastern Band Cherokees were no exception and at the forefront of their struggle were their women Eastern Band Cherokee Women analyzes how the women of the Eastern Band served as honored members of the tribe occupying both positions of leadership and respect Carney shows how in the early 1800s women leaders such as Beloved Nancy Ward battled to retain her people s heritage and sovereignty Other women such as Catharine Brown a mission school student discovered the power of the written word and thereby made themselves heard just as eloquently Carney traces the voices of these women through the twentieth century describing how Cherokees such as Marie Junaluska and Joyce Dugan have preserved a culture threatened by an increasingly homogenous society This book is a fitting testament to their contributions Eastern Band Cherokee Women stands out by demonstrating the overwhelming importance of women to the preservation of the Eastern Band From passionate speeches to articulately drafted personal letters Carney helps readers explore the many nuances of these timeless voices

Archaeology and Preservation of Gendered Landscapes Sherene Baugher, Suzanne M. Spencer-Wood, 2010-03-11 Historical archaeology of landscapes initially followed the pattern of Classical Archaeology by studying elite men's gardens Over time particularly in North America the field has expanded to cover larger settlement areas but still often with ungendered and elite focus The editors of this volume seek to fill this important gap in the literature by presenting studies of gendered power dynamics and their effect on minority groups in North America Case studies presented include communities of Native Americans African Americans multi ethnic groups religious communities and industrial communities Just as the research focus has previously neglected the groups presented here so too has funding to preserve important archaeological sites As the contributors to this important volume present a new framework for understanding the archaeology of religious and social minority groups they also demonstrate the importance of preserving the cultural landscapes particularly of minority groups from destruction by the modern dominant culture A full and complete picture of cultural preservation has to include all of the groups that interacted form it
