Good afternoon to everyone, and thank you for coming to Piney Branch Elementary's 5th grade graduation. This event marks the transition of these wonderful children onto the next step of their journey. Who knows if the future president of the United States is standing on this stage at this moment? Maybe you're watching the one to cure cancer, or invent the newest technological innovation smiling up here right now!

We, the faculty and staff at Piney Branch, have very mixed feelings about this event. On one hand, we are absolutely delighted to see these children smiling at you all, ready to face the future. On the other hand, we are sad to see them go. Many of us have known these children since their pre-kindergarten program days – that's seven years! We hope that you will all achieve great things, because we know you can. After all, some of you have spent seven years in our halls. We just ask that you never forget that you came from Piney Branch Elementary, and that you come by and visit us sometime when you're successful and loving your life. This is a home for you all, so please don't forget to keep us informed of the wonderful places you go to next!

This ceremony will recognize each child for their achievements. Many of them have scored consistently well on standardized testing, making this class one of the highest achieving in the entire state. Please give yourselves a round of applause. Children, please look at your parents and give them a round of applause to thank them for being here today and supporting you. We are truly very pleased and happy at your progress in elementary school, and on behalf of the faculty and staff of Piney Branch Elementary, I wish you all the best in your future endeavors.
