The Old English Version of Bede's Ecclesiastical History of the English People: Early Eng. text soc. org. ser., 95-96 Saint Bede (the Venerable), 1890 A Companion to Pietro Aretino Marco Faini, Paola Ugolini, 2021-08-16 A Companion to Pietro Aretino offers exhaustive yet accessible essays aimed at understanding this complex and fascinating author Its scope extends beyond the field of Italian studies and includes references to other European literatures visual arts music performance studies gender studies and social and religious history. It explores multiple areas of Aretino's literary and biographical identity in particular his religious writings and their fortune his relationships to visual arts and music and his fashioning of a public persona The essays here included support the current scholarly trend that no longer considers Aretino merely as a pornographer but interpret his work in the light of the contemporary religious debate and cultural crisis Contributors include lise Boillet Maria Cristina Cabani Eleonora Carinci Philip Cottrell Giuseppe Crimi Cathy Ann Elias Marco Faini Augusto Gentili Harald Hendrix Paul Larivaille Chiara Lastraioli Paolo Marini Ian F Moulton Paolo Procaccioli Brian Richardson Angelo Romano Deanna Shemek Jane Tylus Paola Ugolini and Raymond B Waddington Pleasure in Twentieth-Century Women's Food Writing Alice McLean, 2012-05-22 This book explores the aesthetic pleasures of eating and writing in the lives of M F K Fisher 1908 1992 Alice B Toklas 1877 1967 and Elizabeth David 1913 1992 Growing up during a time when women s food writing was largely limited to the domestic cookbook which helped to codify the guidelines of middle class domesticity Fisher Toklas and David claimed the pleasures of gastronomy previously reserved for men Articulating a language through which female desire is artfully and publicly sated Fisher Toklas and David expanded women's food writing beyond the domestic realm by pioneering forms of self expression that celebrate female appetite for pleasure and for culinary adventure In so doing they illuminate the power of genre bending food writing to transgress and reconfigure conventional gender ideologies For these women food encouraged a sensory engagement with their environment and a physical receptivity toward pleasure that engendered their creative aesthetic The Athenæum, 1843

Translation, the Canon and its Discontents Miguel Ramalhete Gomes, 2017-08-21 This collection addresses the complex process by which translation and other forms of rewriting have contributed to canon formation revision destabilization and dismantlement Through the play between version and subversion which is inherent to any form of rewriting these essays focusing on translations since the sixteenth century down to the present day stress the role of translation and adaptation as potentially transformative mediations capable of shaping and undermining identities Such manipulation is deeply ambivalent since it can be used as a means of disseminating the ideology of oppressive regimes at the expense of the source text but it can also serve to garner attention to marginalised texts This tense interplay between political social and aesthetic purposes almost inevitably generates discontents which may turn out to be the outcome of translation in general However discontent is a relational concept depending on where one stands in the field of competing
