Atticus gives this advice to Scout after she has a terrible first day of school; Scout is not fond of her new teacher and is therefore refusing to go back. Atticus, who is calm and collected, tells Scout that maybe her teacher did not have a very good day either, and that Scout should put herself in Miss Caroline's shoes before making any rash decisions. In situations like these, it is sometimes easier to learn only one side of the story, but Atticus decides to take a wider perspective. His ability to step back from situations and consider
