

A romantic photograph of a young couple in an autumn setting. The woman, on the left, has long dark hair and is wearing a light-colored lace-trimmed sweater over a mustard yellow knit top. The man, on the right, has long dark hair, a beard, and is wearing a brown beanie and a blue denim jacket. They are both smiling warmly at the camera. The background is a soft-focus forest of trees with vibrant yellow and orange autumn leaves. Overlaid in the center is the text "together forever" in a white, handwritten-style font, with small white starburst graphics on either side of the words.

David J Serlin, 2022-09-14 Life is full of invitations and opportunities for growth and discovery if only we keep our minds open and heed the signs Naturally we can always refuse but sometimes Spirit has a subtle way of urging us in the right direction David and Linda Serlin said Yes to one unexpected invitation and this book is the story of how that choice set them on an exciting spiritual adventure and changed their lives completely From a stately home in Essex UK to an esoteric retreat on the

north Californian coast of the USA their journey brought deep spiritual insights and principles that David shares with us in this fascinating and uplifting book Whilst revealing their own unsuspected talents their experiences also led them to the realisation that There is a Power for Good in the universe that is greater than we are and that we can use In clear and friendly language David shows us just how to do that

The Assumptions Behind the Theory of Evolution Dave A. Schoch, 2011 The foundation of evolutionary theory consists solidly of numerous unwarranted and illegitimate assumptions many of which are antagonistic to the facts of nature These assumptions are taught to the public as codified facts of science when they exist only as what if s The author addresses these issues as well as the philosophical roots of this scientific movement that push the theory along keeping it alive by less than scientific means He exposes the farce that a false philosophy not science keeps alive Most of the arguments for Intelligent Design are covered as well as many more ID doesn't cover The author also covers various games that evolutionary theorists like to play in their efforts to make evolutionary theory seem scientific He covers equivocation switching the meanings of words around to fit one's means to an end especially the four different meanings of the word evolution utilized by evolutionists to confuse the issue Before long anyone caught up into a debate with an evolutionist must concede because of these perfidious tactics According to one scientist this is an excellent book It promises to be a very important book in this area referring to the creation vs evolution controversy Dr Jerry Bergman M S Ph D M P H M A M S B S
