today Om Respect Lars-Henrik Schmidt,2006-12-31 On Respect is a defense for the right to show resentment indignation and anger Lars Henrik Schmidt criticizes the established equality way of thinking which maintains that everyone has equally much to offer According to Lars Henrik Schmidt respect does not make sense if one is not allowed to show disrespect By introducing the concept of deference Lars Henrik Schmidt shows how fundamentally respect is not about acknowledging the other but about respecting the difference to the other This means for example that one must do away with the notion that the various partners in the educational relationship are equals Respectable respect means that teachers can show disrespect towards students who do not respect the learning environment the teacher is promoting Like Lars Henrik Schmidt s other writings On respect is a social analytical diagnosis of contemporary society Among the themes covered are the rise in decaying values the lack of standpoints the joyless society and a suggestion as to how to make respect respectable A GREEK-ENGLISH LEXICON OF THE NEW TESTAMENT JOSEPH HENRY THAYER,1889 **The Confession of Faith:**
