Norwegian wood Haruki Murakami, 2021 **Norwegian Wood** Haruki Murakami, 2000 The tragic death of their best friend has a profound influence on the passionate relationship between Toru a serious young college student in Tokyo and Naoko an introspective beauty **Arcadia**, 2006-02 **Historia mínima de Japón** Michiko Tanaka, 2011-07-12 Este libro presenta a grandes rasgos el extraordinario desarrollo político económico social y cultural de Japón desde sus orígenes hasta nuestros días Se trata también de una caracterización de los cambios y las permanencias durante el proceso de conformación de lo japonés en contraste e interacción constante con las experiencias de otros pueblos Mountains, Radio Waves and a Love Letter Shinji Yoshikawa, As time went by and I was about to turn fifty I could only take three or four days off at the most I have learned to use this as an excuse to buy time with money It sounds poetic but it's just a fixed way of thinking that makes you give up on the details and hassles which you may encounter It stuck in my mind like a fatty piece of meat does to your belly and finally I couldn't get rid of it But what do I do with the time I have saved The answer is nothing special The author Shinji Yoshikawa has been a company employee for 25 years and realized with 50 knocking on the door that he had never traveled alone since he became a family man and lived and journeyed with his wife and daughters But during the Christmas holiday in 2018 he got 4 consecutive days off from his hardworking time in a Mexican Japanese company A rare treat indeed The destination he chose was Evergreen Ranch in Chiapas Mexico where travelers mainly from Europe and North America are competing for booking one of their only two rooms Do you need radio waves schools or sophisticated infrastructure to enjoy life Did you ever imagine how horses would react to your words What is your priority when you travel These are some of the questions you encounter when you dive into the whole story This travelogue depicts the entire experience of spending time at a guesthouse with a perfect TripAdvisor rating Gender and Memory in the Postmillennial Novels of Almudena Grandes Lorraine Ryan, 2021-04-21 Almudena Grandes is one of Spain's foremost women's writers having sold over 11 million copies of her episodios de una guerra interminable her six volume series that ranges from the Spanish Civil War to the democratic period the myriad prizes awarded to her 18 in total confirm her pre-eminence This book situates Grandes's novels within gendered philosophical and mnemonic theoretical concepts that illuminate hidden dimensions of her much studied work Lorraine Ryan considers and expands on existing critical work on Grandes's oeuvre proposing new avenues of interpretation and understanding She seeks to debunk the arguments of those who portray Grandes as the proponent of a sectarian eminently biased Republican memory by analysing the wide variety of gender and perpetrator memories that proliferate in her work The intersection of perpetrator memory with masculinity ecocriticism

medical ethics and the child's perspectives confirms Grandes nuanced engagement with Spanish memory culture Departing from a philosophical basis Ryan reconfigures the Republican victim in the novels as a vulnerable subject who attempts to flourish thus refuting the current critical opinion of the victim as overly empowered The new perspectives produced in this monograph do not aim to suggest that Grandes is an advocate of perpetrator memory rather it suggests that Grandes is committed to a more pluralistic idea of memory culture whereby her novels generate understanding of multiple victim perpetrator and gender memories an analysis that produces new and meaningful engagements with these novels Thus Ryan contends that Grandes's historical novels are infinitely more complex and nuanced than heretofore conceived
