Purcell, Jann H. Leppien, 2009-08-25 The Parallel Curriculum Model PCM holds the power to help students and teachers see the whole of what they are learning We invite practitioners to read more about this model and join us on a professional journey that we believe will yield that joy and wisdom that comes from seeing the whole To address the varying needs of teachers across the K-12 grade span as well as different content areas we decided to create a series of curriculum units based on PCM that could be used by practitioners It is our hope that the lessons not only underscore important and discipline specific content but also illuminate the four

parallels in unique and enduring ways From the Introduction Design exemplary language arts lessons based on the Parallel Curriculum Model Want to create rigorous learning opportunities for students in language arts based on a deeper understanding of pedagogy and curriculum design As demonstrated in the best selling book *The Parallel Curriculum* the Parallel Curriculum Model PCM allows teachers to determine student performance levels and design intellectual challenges that help students develop expertise in specific subject areas *Parallel Curriculum Units for Language Arts Grades 6-12* provides sample language arts units written by practicing teachers to demonstrate what high quality curriculum looks like within a PCM framework Covering a variety of topics including narrative voice literary criticism and writing original pieces these field tested units each contain Teacher rationales explaining the unit design Connections to concepts skills and national or state standards Step by step directions for delivering the lessons and unit Modification strategies assessments and reproducibles Use these examples to design your own units and deepen your understanding of how the PCM framework helps tailor curriculum to the abilities interests and learning preferences of each learner

Culturally Affirming Literacy Practices for Urban Elementary Students Lakia M. Scott, Barbara Purdum-Cassidy, 2016-08-17 The nation's demographic of public schools are more ethnically racially and linguistically diverse than ever before Strauss 2014 However there are still educational policies and practices that call to question whether traditionally marginalized students receive an equitable education This is demonstrated in national achievement trends which highlight disproportionality ratings among minoritized student groups Also when examining school discipline policies expulsion ratings special education services and school choice movements all seem to handicap educational opportunity for low income Black and Brown students As American schools become more and more diverse it is imperative that the literacy practices used to teach young students of color reflect the nation's changing demographic This book provides practical insights guided by conceptual and contextual knowledge in understanding how to teach urban African American and Hispanic Latino students by discussing issues associated with critical pedagogies literacy and culturally appropriate instructional strategies that have demonstrated success for traditionally marginalized student populations This book examines culturally affirming literacy practices from three main components 1 scholarship 2 the field of practice and 3 teacher education models Each of these three are significant in understanding how to teach minoritized populations As such chapters have been organized into three main sections that address scholarship and research trends in the field and implications for teacher education models all in order to advance the literacy achievement of African American and Hispanic Latino students
