Top Gear Epic Failures Great Motoring Cockups:

Top Gear: Epic Failures Richard Porter, 2014-05-22 Designing and making cars is an expensive thing to do So is racing them All told the car business spends billions every year and with such vast sums at stake you d think the people involved wouldn t give desk space to Captain Cockup Sadly you would be wrong Every department in every car firm and motorsport operation is capable of complete and abject failure and on a surprisingly regular basis Which is what this book is about You see Top Gear knows a thing or two about embarrassing mistakes as anyone who watched our India special will know The truth is for many years Top Gear has also regarded failure as funny Where other television programmes edit out the moment where the presenter falls over or slams their hand in a door Top Gear gleefully leaves it in So who better to take you on a gentle canter through 50 of the car world s biggest and most glorious failures That s right it s Top Gear Who else did you think If you want this sort of stuff from Countryfile you might be in for a wait **Top Gear Epic Failures (kfa)** Richard PORTER, 2014-05-22 **Business Week** ,2000 **The New York Times Index** ,1998 *The Top Gear Story - The 100% Unofficial Story of the Most Famous Car Show... In The World* Martin Roach, 2011-02-07 From humble beginnings as a 1970s motoring show Top Gear has gone on to achieve diesel powered world domination After Clarkson and producer Andy Wilman successfully pitched a new format to BBC bosses Top Gear returned to become the irreverent funny and often controversial show we now know and love The Star in a Reasonably Priced Car the Cool Wall and Power Laps by the mysterious Stig have all become staples of Britain s favourite Sunday evening entertainment Recent series have been defined by their madcap challenges such as driving across Africa in clapped out bangers with predictably hilarious results However the show s most shocking moment came in 2006 when Hammond suffered serious head injuries while driving a Vampire turbojet drag racing car at over 300mph Clarkson Hammond and May they are the politically incorrect joking stone washed denim wearing bloke hero trio for the modern ish age This brilliant detailed book is fitting tribute to the show its presenters and its most memorable moments **Top Gear: Ambitious but Rubbish** ,2015-08-27 Ambitious but Rubbish reveals the off camera secrets behind some of Top Gear s most memorable creations From the challenge of turning a Reliant Robin into a rocket and the genesis of the Hammerhead i Eagle Thrust electric car to the complexities of building a caravan airship and the inspiration for destruction testing a Toyota Hilux this book is packed with the previously untold stories behind dozens of classic TV moments Top Gear has never shied away from trying to answer questions no one has even thought to ask Questions like Can you make a convertible people carrier Can you cross the Channel in a pick up and Can you turn a combine harvester into a snow plough Ambitious but Rubbish reveals how those insane ideas came about with remarkable tales of ingenious invention and idiotic engineering This book is essential reading for any Top Gear fan and a terrific insight into the creation of the world s biggest car show It s also a terrifying window into the minds of Jeremy Clarkson Richard Hammond and James May Don t say you weren t warned about that last one *And On That Bombshell* Richard Porter, 2015-12-22 I

was Top Gear's script editor for 13 years and all 22 series I basically used to check spelling and think of stupid gags about The Stig I also got to hang around with Jeremy Clarkson Richard Hammond and James May It didn't feel like something you should get paid for From the disastrous pilot show of 2002 to the sudden and unexpected ending in 2015 working on Top Gear was quite a rollercoaster ride We crossed continents we made space ships we bobbed across the world's busiest shipping lane in a pick up truck We also got chased by an angry mob repeatedly sparked fury in newspapers and almost killed one of our presenters I realised that I had quite a few stories to tell from behind the scenes on the show I remembered whose daft idea it was to get a dog I recalled the wilfully stupid way in which we decorated our horrible office I had a sudden flashback to the time a Bolivian drug lord threatened to kill us I decided I should write down some of these stories So I have I hope you like them And now a quote from James May Richard Porter has asked me to write a quote for his new book about the ancient history of Top Gear But this is a ridiculous request How can one write a quote Surely by definition a quote must be extracted from a greater body of writing for the purpose of illustrating or supporting a point in an unrelated work I cannot write a quote any more than I could film an out take Porter like Athens has lost his marbles James May
