Emergency Preparedness for Mobilehome Communities - the WORKBOOK Virginia S. Nicols, 2019-09-03

Emergency Preparedness for Mobilehome Communities THE WORKBOOK is not just a response to a public need but a drive to make emergency preparedness a community reality We all know it's important to stock up on water in the face of catastrophic events like earthquakes wildfires and hurricanes But what are your options in a mobile home What medicines should you store and what is the best way to do it Do you buy one or more of those pre made survival packs or build one yourself What kind of lighting will you need during a power outage or a major emergency These are just a few of the dozens and dozens of choices you and your neighbors will be making in forming a community response team for your neighborhood Living in a mobile home community definitely has its advantages Neighbors are close and can readily lend a hand But natural disasters have taken a disproportionate toll on mobile home parks pointing to the necessity of an organized population to cope with the challenges Fortunately most parks offer a perfect place for building a strong community preparedness culture But it does take time and effort THE WORKBOOK is aimed at SIMPLIFYING that process

Emergency Preparedness for Mobilehome Communities was my first book on the topic Based on my years of planning experience with emergency preparedness and disaster recovery challenges it covers many aspects of preparedness from 1 personal readiness to 2 getting more neighbors involved to 3 actually putting together a written neighborhood plan

Appendices of the book cover threats recruitment ideas legal cautions training options and emergency communications Throughout I've listed additional proven resources While the book has been well received readers have admitted to me that there was still too much for them to get their arms around So I wrote a companion THE WORKBOOK It follows the same content flow so you'll want to keep the book close at hand to refer to But THE WORKBOOK is truly a workbook as you'd expect It has simple questions and spaces for you to write your answers Step by step you'll be taking action Answering questions to help set personal priorities Researching what planning has already been done Making sure park management is on board Finding and inviting interested neighbors Getting training for yourself and your team Learning about park infrastructure utilities etc Picking which disasters to plan for Meeting the First Responders that serve your community Planning and holding meetings for all your park

neighbors The Q A format of THE WORKBOOK moves you and your group forward by simple steps one after another on your own time frame Many of the questions make it easy to engage others in your family household or group If you haven t been able to make the progress you d like on your own readiness or if you want to help your whole mobilehome park community get better prepared get Emergency Preparedness for Mobilehome Communities and its companion THE WORKBOOK Everything you need to know is in these step by step guides It s not only an important tool in building your personal survival plan it actually turns the process into an enjoyable experience Each page you complete will increase your self confidence and peace of mind

START PREPPING!: GET PREPARED—FOR LIFE Tim Young, The ultimate guide to personal preparedness No scare tactics Just a 10 step guide to practical preparedness for every family You don t like to think about it but deep down you know it can happen Disaster can strike without warning leaving your family without water food or electricity and without medical or police support How will you survive when that happens How will you protect your family from threats of violence Buying insurance writing wills getting our teeth cleaned and saving for retirement are just a few of the precautions we routinely take to mitigate risks but most people fail to prepare for what s most important They fail to prepare for their own survival With 91% of Americans living in places at a moderate to high risk of disasters and with all of us dependent on a very fragile life support system it s time for you to take preparedness seriously After reading this book you will understand the 27 disasters you re likely to face know why some people survive when others don t and how to ensure your family survives master situational awareness and the survival mindset you need to avoid becoming a victim of violence know when to stay when to bug out and how to implement an evacuation plan learn the best non firearm options for self defense discover the best ways to generate electricity store water and food and handle sanitation and medical care on your own Start Prepping is the most actionable common sense guide to personal preparedness It will help your family comfortably survive everything from pandemics to manmade and natural disasters And it will help you stay safe from civil unrest and everyday violence We can t hide from the risks we face but we can prepare for them Read Start Prepping now and give yourself some peace of mind Because the day after disaster strikes is too late
