    *Wallace's Year-book of Trotting and Pacing in ...* John Hankins Wallace,1907     *Treasure in Earthen Vessels* Jimmy  
Neff,2025-06-24 Unlike most local church histories oozing with self congratulations *Treasure in Earthen Vessels* is an honest  
critical assessment of a rural congregation that built a small unpretentious church in a community that subsequently  
withered under the strain of economic realities and labor saving technologies In September of 1919 two Baptist families met  
in an old creaky three room wooden schoolhouse to organize a church in the newly established community of McAdoo Texas  
This book details the contributions of legacy families committed to living a simple Christian life through the struggles and  
joys of a rural Baptist congregation The congregation also must navigate the geographical social cultural political religious  
economic and technological forces often arrayed against them By exploring the contextual history of this Baptist  
congregation as a case study the book not only chronicles what happened to rural churches and communities experiencing  
the depopulation of the Great Plains over the past century but also why a cherished way of life simply vanished     [Texas rv](#)
