

Three Short Stories of Sherlock Holmes

Sir Arthur Conan Doyle

About the author

Arthur Conan Doyle was born in Edinburgh in Scotland in 1859. He studied medicine at Edinburgh University and began work as a doctor in England in 1885. But his doctor's practice was not busy and Doyle used his spare time to write his first Sherlock Holmes novel, *A Study in Scarlet*, (1887). Holmes and Watson also featured in his next novel, *The Sign of Four*, (1890). But Holmes did not capture the public's imagination until 1891 when Sherlock Holmes short stories were published in instalments in the *Strand Magazine*.

Sherlock Holmes was soon very popular. Doyle even found that his Holmes stories were stopping him from writing about other things, so he decided to end the series by killing Sherlock Holmes in *The Final Problem*, (1893). However, when he returned from the Boer War in 1902, Doyle decided to bring Sherlock Holmes back to life. By the 1920s he was one of the most famous and well-paid writers in the world. He wrote sixty stories about Holmes and Watson between 1887 and 1927.

Doyle also wrote other novels and non-fiction books. After his books about the Boer War, the British Government decided to award him a knighthood, and he became Sir Arthur Conan Doyle. He continued writing Sherlock Holmes stories until 1927. He died of heart disease in 1930.

Today Sherlock Holmes and Dr Watson remain famous and popular all around the world. The Sherlock Holmes Museum in Baker Street, London, is one of the city's most popular attractions with visitors from many different countries. Now and into the future, people everywhere

will continue to enjoy Sir Arthur Conan Doyle's clever and imaginative stories of mystery and suspense.

Summary

This book contains three short detective stories about Sherlock Holmes. At the beginning of each story, someone comes to Holmes with a problem. Holmes asks various questions, gathers and examines clues, and finally arrives at a solution.

In the first story, a young woman called Mary Sutherland comes to Holmes's Baker Street home with a problem concerning her fiancé, Mr Hosmer Angel. On the day of their wedding Mr Hosmer disappeared at the church and has not been seen or heard of since.

Holmes discovers that Hosmer Angel is really Mary's stepfather, Mr Windibank, in disguise. As Hosmer Angel he pretended to fall in love with Mary so that he could keep Mary's money while she continued to live with her mother and stepfather. Mr Windibank admits to what he has done, but Holmes decides not to tell Mary because she still loves Hosmer Angel so much.

In the second story, a university professor, Hilton Soames, asks for Holmes's help because someone goes into his room and looks at some important exam papers. Soames finds several clues in his room: a cut on his desk, a broken pencil and some black clay. There are three suspects – the students who live above Mr Soames's rooms.

Holmes quickly realises which student is to blame. He also discovers that someone else has been keeping a secret from Mr Soames: his butler, Bannister. Finally, the student admits that he saw the papers, and explains that he does not want to take the exam after all, as he has been offered a job in South Africa.

In the final story, a beautiful young woman, Miss Violet Smith, comes to Holmes because a man has been following her on a bicycle. Miss Smith works for Mr Carnuthers at his home in Farnham. Both Mr Carnuthers and another man, Mr Woodley, want to marry Violet, but she is already engaged to someone else. First Watson, then Holmes go to Farnham to investigate.

In the dramatic conclusion to the story, Violet is kidnapped and forced to marry Mr Woodley, the man on the bicycle reveals his true identity and shoots Mr Woodley, and Holmes and Watson arrive just in time to save Violet.

Pack Of Three Eight Three Short Stories English Edition:

Three Tales Алексей Николаевич Апухтин, 2002 During his lifetime Aleksey Apukhtin 1840-93 was considered a foremost Russian poet and prominent figure in St Petersburg society of the time. He was a lifelong friend of Tchaikovsky; they were both educated at the School of Jurisprudence in St Petersburg. Their friendship was often strained in later life, possibly as a result of the fact that Apukhtin never went out of his way to conceal his homosexuality whilst the composer tried strenuously to mask his own. Apukhtin turned to prose in the last years of his life, and the few works that he completed appeared for the first time posthumously. The present edition contains the first English translations of *The Papers of Countess D* and *The Diary of Pavlik Dolsky* and a modern translation of *Between Life and Death*. **THE ESSENTIAL H. G. Dillingham,2016-01-01 VictorianStudies on theWebCritics Choice Rudyard Kipling Hell and Heroism is an exploration of two fundamental yet greatly neglected aspects of the author s life and writings his deep seated pessimism and his complex creed of heroism The method of the book is both biographical and critical Biographically it traces the roots of Kipling s dark worldview and his search for something to believe in a way of thinking and acting in defiance of life s hellishness There matters were more basic to him than any of his social or political opinions but this the first full length study devoted to them Critically the book takes a fresh and close look at some of Kipling s most important works The result challenges long established assumptions and amounts to a major reconsideration of novels like Kim and stories like Mary Postgate and The Gardener Central in these discussions of individual writings is Kipling s concern with the heroic life but of equal importance is the analysis and evaluation of them as works of art Avoiding the tangled and special language of some recent literary theory this will appeal to a wide audience of those interested in Kipling s mind and art The Seamen's Journal ,1928
