Eltaher,2012-12-31 Toutes les approches traditionnelles pour trouver une solution l impasse entre Isra liens et Palestiniens ont t essay es durant tant d ann es Il est bien temps de repenser toute cette affaire en dehors des confins traditionnels Sans une solution raisonnable la Question de la Palestine sera le d clencheur ou simplement une excuse pour causer des troubles voire des actes de violence au Moyen Orient qui pourraient impliquer des r percussions au niveau international Mais ceci ne devrait point tre la seule raison pour trouver une solution au probl me La solution devrait tre trouv e pour rien d autre que c est ce qu il faut faire faire pour l int r t des deux peuples et le reste du monde *Palestine - Israël* Samaha Khoury,2014-09-05 Le destin de la Palestine est depuis toujours tragique L histoire de cette terre est celle d incessants conflits La violence qui s y manifeste est probablement li e au fait religieux sur une Promesse divine se sont greff es des r alit s politiques Tout cela engendre contestations et discordes l o il faudrait une sage organisation respectueuse des droits de tous et des compromis d faut de consensus Il est difficile d expliquer le conflit isra lo arabe sans recourir l histoire et sans revenir sur la fameuse Promesse de Yahv sur l id ologie sioniste et le r ve de la Terre Promise sur la d claration de Balfour et enfin sur les d cisions de l ONU surtout celle du partage de 1947 et leur non application Avec l accord d Oslo de 1993 la paix semblait pouvoir s tablir Mais

cet accord tait il véritablement l'oeuvre commune de toutes les parties en présence La paix qui devait résulter de cet accord nait elle pas plutôt une fausse paix annonciatrice de futures catastrophes Peut on parler de paix quand on autorise l'installation de colons dans les maisons palestiniennes deux pas des camps de réfugiés où crouissent leurs propriétaires légitimes Peut on parler de paix quand on accorde le droit de retour aux Juifs absents de cette terre depuis dix huit siècles tandis qu'on le refuse aux exilés palestiniens de 1948 et 1967 En fait cette paix qui se dessinait Oslo nait qu'un armistice L'ouvrage que nous présentons ne prétend pas l'exhaustivité mais va l'essentiel pour expliquer la naissance du conflit sa dramatisation et sa persistance

A Wall in Palestine René Backmann, 2025-09-23 The West Bank Barrier is expected to be completed in 2010 Declared illegal by the United Nations International Court of Justice this network of concrete walls trenches and barbed wire fences could permanently redraw one of the most disputed property lines in the Middle East the Green Line that separates Israel and the West Bank To Israel the security fence is intended to keep Palestinian terrorists from entering its territory But to Palestinians the apartheid wall that sliced through orchards and houses and cuts off family members from one another is a land grab In this comprehensive book Backmann not only addresses the barrier s impact on ordinary citizens but how it will shape the future of the Middle East Though it promises security to an Israeli population weary of terrorism it also is responsible for the widespread destruction of Palestinian homes and farmland with its Byzantine checkpoint regulations it has also severely crippled the Palestinian economy and most urgent the barrier often deviates from the Green Line appropriating thousands of acres of land effectively redrawing the boundary between the West Bank and Israel Backmann interviews Israeli policy makers politicians and military personnel as well as Palestinians living throughout the West Bank telling the stories not only of the barrier s architects but also of those who must reckon with it on a day to day basis on the ground With bold brilliant and often impassioned reportage A Wall in Palestine renders the West Bank Barrier its purpose its efficacy its consequences as no book before
