There and Back George MacDonald, 1891 To Cuba and back. A vacation voyage Richard Henry DANA (Author of "Two Years before the Mast."), 1859 A Walk from London to Land's End and Back Elihu Burritt, 1865 *There and Back* George MacDonald, 2018-05-08

It would be but stirring a muddy pool to inquire not what motives induced but what forces compelled sir Wilton Lestrangle to marry a woman nobody knew. It is enough to say that these forces were mainly ignoble as manifested by their intermittent character and final cessation. The marriage occasioned not a little surprise and quite as much annoyance among the county families failing however to remind any that certain of their own grandmothers had been no better known to the small world than lady Lestrangle. It caused yet more surprise though less annoyance in the clubs to which sir Wilton had hitherto been indebted for help to forget his duties; they set him down as a greater idiot than his friends had hitherto imagined him. For had he not been dragged to the altar by a woman whose manners and breeding were hardly on the level of a villa in St John's Wood.
