

Graduation Messages for Sister

1. When you were little, all you ever talked about was how you wanted to be a nurse when you grew up. I didn't think you were serious about it, but it turns out I was wrong. You've always been an amazing person, and I am so proud of you. Congratulations on your graduation, sis!

2. Do you remember when we were little and I used to always beat you at games? You would get so mad and frustrated that you would start crying. As silly as it may seem now, I think those moments were the beginning of your journey to where you are today. Because of those experiences, you became determined to improve yourself. I'm so proud of you. Congratulations on your graduation!

3. My little baby sister is all grown up! I remember when Mom would carry you around and give you snacks while she did the housework. Now you're getting all A's in your classes while working a part-time job on top of that. I know Mom and Dad are very proud of you as well. Congratulation on your graduation!

4. Sis, I just want to tell you how proud I am of everything you have accomplished. I remember when we first started school and you were placed in the 'gifted' program. I remember how much that meant to you and I could see how hard you were trying because of it. Now look at you! You're graduating from college with honors. You are truly an inspiration.

5. Happy graduation, sister! I hope you know just how proud I am of you. You have overcome so many obstacles and achieved more than I could ever hope to achieve. Your graduation is symbol of all your hard work and determination. I love you! Congratulations!

Ask the Grey Sisters Elizabeth Iles,1998-06 Ask the Grey Sisters Sault Ste Marie and the General Hospital 1898 1998 tells the story of the creation and one hundred year history of the Sault Ste Marie General Hospital At a time when Canada s healthcare system is at a crossroads and we are asked to make crucial decisions for its future it is intriguing and enlightening to look at the colourful past of a typical community hospital Throughout the 1890s Sault Ste Marie was a town in search of a hospital Its glory days at the centre of the fur trade route were long gone and the Sault was in the process of becoming a modern industrial community Such a community needed a hospital as a centrepiece to attract investors and as a necessary social institution to care for the hundreds of workers who were flocking to town without family support The General Hospital was established in 1898 after the town committee charged with developing a hospital had been refused funding by both the federal and provincial governments In desperation the committee met with the provincial Inspector of Asylums and Prisons the only provincial official with hospitals in his mandate If you wish a hospital of which the work is serious and lasting he is reported to have advised them ask the Grey Sisters And so began a fruitful association between the community of Sault Ste Marie and two orders of Grey Sisters who have operated the hospital through its one hundred year history Based in part on the extensive archival collections of both orders of nuns this history includes material from the sisters Chronicles and their personal reminiscences The result is an intimate and detailed portrait of a community hospital placed in the context of an emerging provincial system of health care A Nation Can Rise No Higher Than Its Women Bayyinah S.
