Butler,2021-04-19 Are there really mansions in heaven In John 14 2 3 Jesus said In my Father s house are many mansions if it were not so I would have told you I go to prepare a place for you And if I go and prepare a place for you I will come again and receive you unto myself that where I am there ye may be also What specifically was Jesus referring to in this passage In answering these questions this book not only offers the proper context of John Chapter 14 but it does so based on the context of the entire gospel of John Undoubtedly the concept of mansions in heaven is one of the long held beliefs of the church Promoted by teachings and songs it has become the eternal hope of many believers However I am certain that through reading this book what has been traditionally believed and accepted will be replaced with a message

that is far more substantial One that is established on the Father s original purpose for humanity **I Have Something to Say** John Bowe,2020-08-11 A veteran journalist discovers an ancient system of speech techniques for overcoming the fear of public speaking and reveals how they can profoundly change our lives In 2010 award winning journalist John Bowe learned that his cousin Bill a longtime extreme recluse living in his parents basement had at the age of fifty nine overcome a lifetime of shyness and isolation and gotten happily married Bill credited his turnaround to Toastmasters the world s largest organization devoted to teaching the art of public speaking Fascinated by the possibility that speech training could foster the kind of psychological well being more commonly sought through psychiatric treatment and intrigued by the notion that words can serve as medicine Bowe set out to discover the origins of speech training and to learn for himself how to speak better in public From the birth of democracy in Ancient Greece until two centuries ago education meant in addition to reading and writing years of learning specific easily taught language techniques for interacting with others Nowadays absent such education the average American speaks 16 000 to 20 000 words every day but 74 percent of us suffer from speech anxiety As he joins Toastmasters and learns step by step to successfully overcome his own speech anxiety Bowe muses upon our record levels of loneliness social isolation and political divisiveness What would it mean for Americans to learn once again the simple art of talking to one another Bowe shows that learning to speak in public means more than giving a decent speech without nervousness or a total meltdown Learning to connect with others bestows upon us an enhanced sense of freedom power and belonging
