*Grandma's Humongous Suitcase* Elsi Abebe, 2011 Elsi Abebe s Grandma s Humongous Suitcase is a wonderful story which reminded me very fondly and even sadly about my grandmothers my paternal and maternal grandmas Fondly because of how much I loved sitting at the bottom of their feet and listening to their stories which I sucked in and absorbed like a sponge Sadly because I have so many questions still to ask them NOW but they are gone Children those lucky enough to still have their grandmas should love and appreciate them find time to spend with them and ask them lots of questions your family s history and culture and I promise you out of Grandma s big suitcase lots of wisdom that you will remember years later when YOU too are grandmas I recommend this wonderful book strongly Her Excellency Ambassador Konji Sebati former South African Ambassador to Switzerland and France Grandma s Humongous Suitcase is a heart warming children s story book that you can read to your kids Elsi has figured out a way to educate children and adult alike about the rich history of Ethiopia through the eyes of a precocious young Ethiopian American girl In this easy to read account of the universal bond between grandparents and grandchildren Elsi has managed to weave together a tale of love pride and history that is flavored in humor I for one look forward to reading about Konjo s time with grandma during their summer break Dr Ebba K Ebba Pediatrician Grandma s Humongous Suitcase is a very well written story that introduces children to the land that their parents came from or to the country that they were born As every item in the suitcase connects the children with their own history and culture the tale also shows the love and affection that connects grandparents to their grandchildren Even though this is Elsi Abebe s first children s book it reads as if she has done it many more times as the stories she told her own two children Elias Wondimu Publisher Social Activist Grandma s Humongous Suitcase is a beautiful story which makes kids born from Ethiopian parents to be proud of being of Ethiopian descent It tells why Ethiopian and Ethiopian American children should love and appreciate Ethiopia her history and culture Indeed out of the big suitcase of

grandma come out nice things which excite children in general Elsi Abebe being a mother herself knows things which enchant kids She describes them in a simple and understandable language This book will be educational and entertaining to many children I commend it strongly Fikre Tolossa Ph D Poet playwright When I was a child living in Ethiopia and visiting in the United States I found that American teachers and students and my own relatives and new friends knew almost nothing about the beautiful country where I d lived since I was two years old How sad I want everyone to read and share Grandma s Humongous Suitcase so that people on many continents will understand more about the culture and traditions of Ethiopia Jane Kurtz is an award winning children s book author of thirty books including Fire on the Mountain Faraway Home Saba Under the Hyena s Foot and Trouble I really enjoyed reading Grandma s Humongous Suitcase by Elsi Abebe I read many stories to children at the Stanley British Primary School They will love this story It depicts how important it is for children who are brought up in a different country from their parents to understand their own family culture and be proud of their heritage My husband and I brought our four children to U S A from England when they were small Grandma s rare visit was vitally important Carolyn Hambidge Founder of Stanley British Primary School      *Reading the Ethiopian Eunuch as a Eunuch* Sean D.
