Too Late To Turn Back Now:

Not One Clue Lois Greiman, 2010-04-27 L A psychologist Christina McMullen's relationship with Detective Jack Rivera is heating up until a client threatens to put a damper on their sparks Chrissy has been counseling Micky Goldenstone to face the secrets from his past but she had no idea that they would lead to a dangerous confrontation with a criminal even the police can't protect her from To make matters worse Chrissy's best friend Hollywood starlet Laney Butterfield has started getting creepy mail that's turning stalker ugly And Chrissy's neighbor desperately needs her help to rescue her runaway sister from an abusive husband When it comes to swimming in a sea of crazy Chrissy is a pro but she'll need more than a few clues to keep her head above water *Contraband : Short Stories by Drew Wagar* Drew Wagar, 2023-03-01 It's an interesting collection this written prior to Drew Wagar's major works You can see the kernels of ideas that would go on to form the basis of *Shadeward Reclamation* and the *Elect Saga* here Yey these shorts are good yarns and stand on their own as tales that will make you pause and think A collection of seven science fiction and fantasy short stories written by Drew Wagar Dawn Rite Publishing is an independent UK press founded in 2011 We deal exclusively with fictional works in the SF and Fantasy genres *Carolina Beach Music Encyclopedia* Rick Simmons, 2018-08-22 While rock groups such as the Beach Boys and Jan and Dean defined the beach music of Southern California during the 1960s a different R B influenced sound could be heard along South Carolina's Grand Strand Drawing on extensive research and exclusive interviews this richly illustrated reference work covers the music songwriters and performers who contributed to the genre of classic Carolina beach music from 1940 to 1980 Detailed entries tell the stories behind nearly 500 classic recordings with release dates label information chart performance and biographical background on more than 200 artists *Fortress Earth* Travis Hightower, 2010 Earth is a small blue world in a solar system barely hanging on to the edge of a galaxy between 200 and 400 billion stars The race of beings that inhabit this world the more ancient and evolved races of the galaxy consider to be quite primitive They are isolated still absorbed in themselves and alone in their view of the universe That was how their world was supposed to stay until one of the most war driven races of the galaxy discovers a rare resource on this tiny backwater planet and they want it Duke Ross is unusual for a brash young fighter pilot Underneath the head strong and cocky exterior is the heart of a family man who loves his wife and child and enjoys the peace presented by an unusual non aggressive martial art As hostile invaders from the stars tear his world out from under him Duke finds himself becoming the chosen champion of alien beings that wish to defend the Earth and restore its rightful peace in the galaxy They bestow upon him a secret which can unlock an unimaginable power and grant the Earth and humanity its salvation But the journey to the mythical Air Force base in the Nevada desert known to pilots as Dreamland will be long and dangerous for a pilot without wings Accompanied by his faithful wingman an incorrigible ex girlfriend turned reporter and a few other skilled allies Duke must complete a sojourn across a devastated American landscape They must fight their way past and elude a very persistent alien general who has made it his

mission to capture Duke and the technology he holds But not even Duke knows the full extent of the secret power he carries or what will be revealed when he reaches his goal And in the shadows an even more sinister and ancient power plots the downfall of much more than just the tiny island fortress known as Earth **Catalog of Copyright Entries** Library of Congress.
