Operation Dervish Commando Volume 4:

Sword and Baton Volume 1: 1900 to 1939 Justin Chadwick, 2017-02-05 Sword and Baton is a collection of 86 biographies representing every Australian Army officer to reach the rank of major general from Federation to the outbreak of World War II. This is the first of two volumes and its scope is broad including chaplains, general surgeons, general and British Army officers who served with the AIF or the permanent forces. Author Justin Chadwick's portrayal of these officers' careers provides a lens through which he examines trends such as the development of military skills which ensured that by the commencement of hostilities in 1914 Australia boasted a pool of well-trained albeit inexperienced officers. The effects of command under pressure of war and the enormous physical impact of combat are likewise portrayed in these comprehensive biographies. By the end of hostilities, Australian officers had garnered immense experience and were among the best in the Allied forces. Ironically, this hard-won skill base was to be all but lost in the interwar period. Sword and Baton offers its readers more than a series of biographies. Rather, it describes a crucial period in Australian military history through the lives of the extraordinary men at its head. *Air University Library Index to Military Periodicals*, 1997. Roberts & Kitchener in South Africa, 1900-1902 Rodney Atwood, 2012-02-02. The British Army was shocked by three military defeats in a week in South Africa in late 1899. The commanding General Sir Redvers Buller lost his nerve. Something must be done was the cry across the Empire. Britain sent forth not one but two military heroes. Field Marshal Lord Roberts and Major General Lord Kitchener spent their first five weeks in South Africa restoring morale, reorganising their forces and deceiving the enemy as to their intentions. In the next four weeks, their offensive transformed the war. Kimberley and Ladysmith were relieved from Boer sieges and an enemy force of 4000 under General Cronje was captured on the Modder River. A long and bitter guerrilla war ensued in a terrain ideally suited to fast-moving Boer commandoes. On the dark side, deeds were committed of which no civilised empire priding itself on justice and fair play could be proud. The comradeship in arms of Roberts and Kitchener, their differing yet complementary personalities, their strategic and tactical decisions are described and assessed using a wide variety of sources including personal papers and official correspondence. By these men's resourcefulness, the British Army, despite its unpreparedness and poor leadership at many levels, won a remarkable victory in the first of the twentieth century Peoples Wars. *Thoroughbred Record*, 1923. Includes a statistical issue, title varies slightly. 1947. **Gung-ho**, 1987.
