Dr Bruce A Huhmann Department Chair and Professor of Marketing Virginia Commonwealth University

Marketing In Healthcare related Industries could not have come at a better time Just as the epidemiological and demographic transitions have changed the cycle of planning resource allocation delivering monitoring and evaluating healthcare especially in developing countries shrinking domestic and donor resources for health and ambitious agendas like the Universal Health Coverage 2030 Agenda make it imperative that healthcare providers do more with less This book provides a clear road map to a MARKETING TRANSITION which links healthcare and marketing in a way hitherto not so clearly outlined The Toolkit will be a valuable tool for undergraduate and graduate students in healthcare provision as well as health practitioners who have traditionally not been trained in this area I commend it highly as a must read book in this area
