State Fair's pumpkin contest and finally win back her father's grudging respect. Instead, a horde of wild hogs destroyed the entire patch. Which is precisely when the annoyingly sexy, sunshiny next-door neighbor shows up. Josh Thatcher is a tech millionaire who traded in the office for growing gourds, including experimental squash hybrids. And for the life of her, Sadie can't understand what he sees in her swearsy, tattooed, prickly self or why he's offering to help his biggest competitor. But a storm-fueled kiss proves there's definitely something growing between them. Maybe it's just attraction. Maybe it's more. Whatever it is, it's already bigger than Sadie's fast-growing pumpkin or the secret that Josh has been hiding. BYOP: Be Your Own Person Barbara Schoener, 2021-06-10. Barbara Schoener, a proudly proclaimed reformed helicopter parent, saw a need to pass on some practical tips when it comes to navigating the very stressful college admissions process and the ensuing journey that commences once a college selection has occurred. A mother of two very different children, almost 6 years apart in age, she found these two journeys had some similarities that remained constant. She felt that a holistic approach to what transpires in the years leading up to setting up camp in a college dorm and then beyond could be beneficial in the hopes of helping ease this transition for other families. Looking back after steering her children in their selections of two very different universities, both several states away from home, this book came to fruition. She hopes that in some small way to be of service. She feels you can actually enjoy this journey, make some great memories along the way while navigating the process that will culminate in one of life's biggest decisions for all involved. Fingers crossed that the right decisions are made all around.
