Classified, Simplified, Visualized Book of Answers Various,2022-06-02 The Circle of Knowledge is an informative book that

was designed in 1917 to be both inspiring and entertaining The book represents the modern progressive spirit which fits that

time in its forms of expression and its editorship The purpose of this work is to answer the why who what when where how of

the wide majority of curious minds both young and adult and encourage them to raise further questions Special measures

were taken in creating this work to isolate essentials from non essentials to differentiate human interest subjects of universal

significance from those of little concern to deliver living truths instead of dead vocabulary and finally to bring the whole

within the knowledge of the intermediate reader without regard to age in an acceptable and exciting form The use of visual

outlines and tables maps drawings and diagrams the illustrated works of great painters sculptors and architects all are used

that results in the belief that ones own culture or nation is superior to others But in actuality ethnocentrism is just another

name for bigotry *Persistent Forms* Ilya Kliger,Boris Maslov,2015-12-14 Since the mid 1980s attempts to think history and

literature together have produced much exciting work in the humanities Indeed some form of historicism can be said to

inform most of the current scholarship in literary studies including work in poetics yet much of this scholarship remains

undertheorized Envisioning a revitalized and more expansive historicism this volume builds on the tradition of Historical

Poetics pioneered by Alexander Veselovsky 1838 1906 and developed in various fruitful directions by the Russian Formalists Mikhail Bakhtin and Olga Freidenberg The volume includes previously untranslated texts of some of the major scholars in this critical tradition as well as original contributions which place that tradition in dialogue with other thinkers who have approached literature in a globally comparatist and evolutionary historical spirit The contributors seek to challenge and complement a historicism that stresses proximate sociopolitical contexts through an engagement with the longue dur e of literary forms and institutions In particular Historical Poetics aims to uncover deep historical stratifications and asynchronicities in which formal solutions may display elective affinities with other chronologically distant solutions to analogous social and political problems By recovering the traditional nexus of philology and history Persistent Forms seeks to reinvigorate poetics as a theoretical discipline that would respond to such critical and intellectual developments as Marxism New Historicism the study of world literature practices of distant reading and a renewed attention to ritual oral poetics and genre

The European Dream Walter Schwimmer, 2004-01-01 Europe is a strange continent Strictly speaking it is not a continent at all but a mere peninsula tacked on to Asia from where many of its first inhabitants undoubtedly came And yet despite its huge variety of features languages landscape and peoples this smallest of continents has achieved a clear cultural identity It is certainly true that Eurospeak lacks poetry and that the myths of today are mainly nationalist chauvinistic and of the No to Europe type But says the author My Europe is not the Europe that regulates the curve on bananas quarrels over subsidies for farmers or fights for places on the Council or Commission I still believe in dreams especially the European dream The author quotes Vaclav Havel Without dreaming of a better Europe we shall never build a better Europe Going back to the origins of the European idea Dr Schwimmer traces the true content of Robert Schumann's vision and shows how this must still be our inspiration But the author goes back beyond that and looks at other visions of a Federal Europe From the Hapsburg Empire to the League of Nations and Woodrow Wilson's celebrated speech in 1918 various concepts are examined carefully In propounding his dream for the future the author takes on the Eurosceptics directly and shows how Europe must be the key to its inhabitants tackling the problems of world terrorism human rights and the internal strife of Russia and the Balkan States
