The kiss was merely meant to distract the armed guard about to catch the two unlikely sleuths After all the only thing these two interlopers have in common is a passionate interest in uncovering the dastardly secrets of Mr Hastings a prominent member of Society whom they suspect of murder Brought together by their desire for the truth Anthony and Louisa finally discover the incriminating evidence they re looking for But bringing Hastings to justice will be more perilous than they anticipate especially since their thrilling attraction to danger and it turns out to each other might very well get in the way **The Paid Companion** Amanda Quick, 2005-03-29 Once again the incomparable Quick has whipped up a delectable Regency romance Booklist about an ice cold business agreement that turns into something far more heated The Earl of St Merryn needs a woman His intentions are purely practical he simply wants someone sensible and suitably lovely to pose as his betrothed for a few weeks among polite society He has his own agenda to pursue and a false fianc e will keep the husband hunters at bay while he goes about his business The simplest solution is to hire a paid companion After all the sorry women who must accept such employment are sure to be grateful for any favor When he encounters Miss Elenora Lodge he believes his problem is solved Her dowdy attire and pinned up hair cannot hide her fine figure and the fire in her golden eyes And her unfortunate circumstances and secret dreams of a life onstage make the Earl's offer undeniably appealing But St Merryn is clearly hiding something and things seem oddly amiss in his gloomy Rain Street home Elenora is soon to discover that his secrets are even darker than his d cor and this lark will be a more dangerous adventure than she d been led to believe And Arthur Earl of St Merryn will find that the meek and mild companion he d envisioned has become both a partner in his quest to catch a killer and an outspoken belle of the ball who stirs a bothersome passion in his practical heart Psychodynamic Techniques Karen J.
