next to them Tommy Silver Sweet golden blonde and every bit a cowboy Eva fell madly in love with him and spent every waking hour with him They shared days together in the corn fields tucked away in the lofts of the barns and even shared their first sexual experience with each other He was her first love and she was his But that all changed when Eva's dreams became too big for Tommy She was destined to leave the farm and head to the city for university He was never going to give up the simple life of a cowboy loving the freedom and quiet wide open spaces But the two lovers viewed freedom differently and Eva finally cut her ties and moved on Years later after finishing university she works in the city as a successful business consultant and is engaged to a successful business man John He's smart rich and sexy with black hair and a strong build that comes with being a sturdy football player in high school But looks aren't everything and Eva soon realizes that as her new marriage begins to fall apart and she sees John for what he really is a selfish jerk that treats her like dirt Always making jabs about her weight and jealous that she's just as successful as he is And she isn't even fat just curvy a normal and average full figured woman in this day and age But his constant negativity begins to take a toll on her self confidence and she takes comfort in a trip back home to see her grandparents for a couple of weeks Eva was delighted and eager to get back to the country she grew up in strangely she missed it But to her surprise the ranch next door had changed The name was now The Silver Stallion Tommy Silver's place Tommy's parents had passed but left him millions from a great deal of investments and also a fabulous life insurance policy He used some of the money to turn the farm into a ranch one where people could come and get away from the city to relax and enjoy the nature and horseback riding Could she stand to be around her first love for two whole weeks while knowing she's married back in the city Or will temptation be too much and bend all of Eva's values

Shifter Babies Of America Collection II Becca Fanning, 2020-02-18 The next five Shifter Babies Of America stories are here just for you This box set contains the following novellas The Baby Shift Vermont Heartbroken and ready to give up on marriage detective Elena Garza gets artificially inseminated in an attempt to start a family alone Little did she know that what she was starting would transport her into the life of Gabriel Anderson a famous musician and secret weretiger Even though they are unable to stand each other fate would have them team up and stick together for a cause far bigger than their egos The Baby Shift Missouri Near the Ozark Mountains Cheryl Dolan works as a nurse in Missouri It's just Cheryl and Jacob the nephew that she adopted when her younger sister passed away in a tragic accident But Jacob is no ordinary child He's a bear Shifter like his father the mysterious one night stand that Cheryl's sister told her little about before she died Except Jacob's clan wants him back to raise him as one of their own They send Lance Harrington to convince Cheryl that Jacob would be better among his own kind The sparks that fly between them may be too much for Cheryl to handle The Baby Shift Arizona Will was sure this move was just what he and his girlfriend Monica needed They'd grown distant and he was to blame for most of that He was busy with work too busy these days if he was telling the truth But the truth didn't come naturally to Will as he's been keeping his Wolf Shifter nature a secret from her A move always meant a fresh start and Will

meant to take advantage of that and recommit everything to Monica But soon he would be dealing with chains both figurative and literal and his wild side threatened to tear everything around him apart The Baby Shift New Hampshire Working as a temporary maid to a rich Bear Shifter family Leila Montes falls for Russell Walters her handsome and kindhearted boss This is obviously a recipe for trouble However a crush on her boss turns out to be the least of her problems as she soon uncovers a deadly secret As she is thrown into the cruel world of the most ruthless family in shifter history Leila has to choose between saving herself and saving a man she barely knows The Baby Shift Rhode Island Alyssa Horton is determined to become the next mayor of Springfield This would put her in harms way so she hires a young werewolf as a bodyguard until the elections are over She has everything planned out Or does she As we see Alyssa fall deeply for her guardian shifter she soon realizes how easily it is for plans to come crashing down
