- 16 Wrist Strap Attachment

- 17 External Extension Connector

Allows connection of external accessories such as the Nunchuk™.

- 18 Wrist Strap Cord

Using the SYNC Button

Some Wi Remote models require you to remove the battery cover to press the SYNC button.

Recalibrating the Wi Remote Plus

If the cursor on the TV screen moves even if the Wi Remote Plus is not being moved, or moves differently than when the Wi Remote Plus is moved, the remote may need to be recalibrated due to the following:

- Changing batteries in the Wi Remote Plus during gameplay.
- Moving the Wi Remote Plus from a cold environment into a warm environment.

To recalibrate the Wi Remote Plus, place it on a flat horizontal surface with the buttons facing down. Wait for a few seconds and check the operation. Also, review the instruction manual for the game you are playing for more information.

NOTE: This procedure must be done during gameplay.

The Other Kind of Funnies Han Yu,2016-12-14 The Other Kind of Funnies refutes the mainstream American cultural assumption that comics have little to do with technical communication that the former are entertaining in a low brow sense and juvenile whereas the latter is practical and serious to the point of stuffiness The first of its kind this book demonstrates the exciting possibilities of using comics in technical communication It

defines comics as a medium and art form that includes cartoons comic strips comic books and graphic novels provides conceptual and historical backgrounds on comics and discusses the appeals and challenges of using comics style technical communication More specifically it examines comics style instructions educational materials health risk communication and political propaganda communication The author argues that comics style technical communication encourages reader participation produces covert persuasion facilitates intercultural communication benefits underprivileged audiences such as children and readers of lower literacy and challenges the positivist view of technical communication An abundance of comics style technical communication examples carefully selected from across cultures and times demonstrates the argument While the book proposes that comics can create user friendly visually oriented engaging and socially responsible technical communication it is also quick to acknowledge the limitations and challenges of comics style technical communication and provides heuristics on how to cope with them The Other Kind of Funnies is unique in its interdisciplinary approach It focuses on technical communication but speaks to design cultural and intercultural studies historical studies and to some extent education politics and art
