**Political Risk Intelligence for Business Operations in Complex Environments** Robert McKellar, 2023-06-19 Macro level dynamics and modelling are well represented in the mainstream political risk literature However not many writings on the subject get their hands dirty in terms of revealing the hard nuanced and practical work behind knowing what the issues might be for a specific foreign operation in a sensitive or volatile context and how to plan for them *Political Risk Intelligence for Business Operations in Complex Environments* provides international managers and by extension their organisations with a foundational understanding of political risk analysis and planning for on the ground operations in challenging times and places This means having a fluid grasp of what political risk means and why it matters in the organisation's context and how relevant intelligence can be gathered and analysed to inform decisions and planning towards an organisation's socio political resilience

The book explains How and why political risk manifests and the forms it can take Company attitudes and operational attributes as a political risk variable Understanding the operational implications of socio political dynamics and trends Stakeholder identification and analysis for informed engagement planning Scenario analysis to prepare for long term contingencies and discontinuities Holistic intelligence driven political risk management planning Tactical intelligence exercises to maintain awareness and inform adaptation Intelligence management collection and quality control Ethical considerations in political risk management Rather than being bound by conventional notions of risk the book emphasises the dynamic relationship between a foreign operation and its host environment and milieu as a source of both challenges and opportunities to manage them Concepts frameworks and practices are rounded out with real world examples and relevant lessons from the author s experience as a political risk consultant *PC Mag* ,1988-02-16 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology Redefining Rich Shannon Hayes,2021-08-10 2022 NATIONAL INDIE EXCELLENCE AWARD FINALIST BUSINESS ENTREPRENEURSHIP SMALL BUSINESS 2022 AXIOM BOOK AWARD BRONZE MEDALIST ENTREPRENEURSHIP SMALL BUSINESS NAUTILUS BOOK AWARD SILVER WINNER BUSINESS LEADERSHIP Redefining Rich is inspiring thought provoking and highly recommended both as a fascinating story in its own right and as a call to reconsider what one truly aspires to in life Midwest Book Review In our dysfunctional economy success often comes at great personal cost we re tired we re stressed out and we have no time for family and friends It s time to redefine rich From a third generation farmer and successful entrepreneur Redefining Rich is an entrepreneur s guide to balancing work and family with the pleasures of the good life with simple exercises and important lessons to serve everyone from the new sole proprietor to a seasoned CEO Shannon Hayes was in the final months of her PhD program recently engaged and beginning to plan her future Having grown up on a northern Appalachian sheep farm she had two advantages a hard won education and hillbilly pragmatism But when it came time to enter the job market Hayes made a tough discovery the economy just doesn t work It doesn t work for women for free thinkers for the working class or for white collar professionals It doesn t work in rural America much less in the cities and the suburbs It forces us to choose between career and family profit and creativity So Hayes and her husband walked away from their career paths and chose to forge a life on her family s frost plagued mountain farm starting up a small caf in town Together they found their sweet spot a place where the Appalachian farm culture and sensibilities she and her community have lived by helped them thrive even in a tough economic environment Against the odds the Hayes family built a business that lets them live abundantly spend time with family and enjoy the gifts of nature And the business even helped reinvigorate their chronically economically depressed town But the journey to this point was rife with challenges tumbles and mistakes With humor lively stories and assurance Hayes reveals the best lessons she s learned for taking an alternate path whether it lies in rural

America in the burbs or the heart of the city She outlines the fundamentals of sustainable wealth how to develop income streams get organized bring family into the business ask for fair prices and market efficiently and the most important lesson of all set personal boundaries and say no even while sustaining relationships Hayes shows entrepreneurship is the means to build sustainable communities keep families together and foster great creative fulfillment Redefining Rich will comfort instruct amuse and inspire those of us who are trying to make our lives work in untraditional ways
