Armed Security Guard Training Manual Bernard Martinage,2014-06-01 All states have different regulations laws
licensing and requirements for security guards This is especially true regarding the use of deadly force power of detain
arrest and many other legal aspects of being a security guard It is the responsibility of the school instructor to know the laws
relating to security guard activities for the State County or City in which they train and for which they train These laws and
regulations are easy to find and free to print because they are of the public domain While all states may have different laws
almost all states includes in their armed security guard training and educational requirements firearm knowledge and
technical skills so the armed security guard can effectively use a firearm in the defense of self and others This Armed
Security Guard Training Manual was developed to meet the most stringent standard It represents 40 hours of study materials
It also includes 10 hours legal section that discusses Weapons and Firearms and the use of deadly force These 10 hours of
the curriculum are modeled after Florida laws which regulates heavily security guard activities This section constitutes an
excellent moral guideline to work from BUT it is your responsibility to research and teach the law of your state county city as
