Ryan,2016-04-29 The organization of Shakespeare s plays has challenged even baffled audiences and critics since the 17th century Cymbeline has been dismissed as incoherent Hamlet is of no clear shape And Antony and Cleopatra bewilders the mind These judgments result from an incomplete understanding of Shakespeare s constructive practice It is not the narrative arc alone that organizes the plays but a complex structure of interwoven narrative and thematic actions While the narrative varies from play to play thematic actions are invariably created in mirroring pairs around the central scene A B C B A This symmetrical pattern which can be visualized as an arch with a focal keystone is the foundation of all of Shakespeare s mature work as shown through an analysis of the 26 plays in this book This arch illuminates the structure of plays that have long been puzzling demonstrating that they are thematically organized and rigorously crafted It also reveals subtleties otherwise invisible *Abrogation in the Qur'an and Islamic Law* Louay Fatoohi,2012-11-12 This book examines in detail the concept of abrogation in the Qur an which has played a major role in the development of Islamic law and has implications for understanding the history and integrity of the Qur anic text The term has gained popularity in recent years as Muslim groups and individuals claim that many passages about tolerance in the Qur an have been abrogated by others that call on Muslims to fight their enemies Author Louay Fatoohi argues that this could not have been derived from the Qur an and that its implications contradict Qur anic principles He also reveals conceptual flaws in the principle of abrogation as well as serious problems with the way it was applied by different scholars *Abrogation in the Qur'an and Islamic Law* traces the development of the concept from its most basic form to the complex and multi faceted doctrine it has become The book shows what specific problems the three modes of abrogation were introduced to solve and how this concept has shaped Islamic law The book also critiques the role of abrogation in rationalizing the view that not all of the Qur anic revelation has survived in the mushaf or the written record of the Qur an This role makes understanding abrogation an essential prerequisite for studying the history of the Qur anic text *Law by Night* Jonathan Goldberg-Hiller,2023-11-28 In *Law by Night* Jonathan Goldberg

Stewart, 2023-06-07 The Audience Decides argues that the political parties aided and abetted by mass media have abdicated one of their most important responsibilities that of providing and vetting the best leadership options available The search for followers ratings and attention has led to the structure of presidential debates especially during the primary season being driven by goals of entertaining the public at the expense of enlightening the citizenry To understand the role of the audience as active participant in political debates and how their function has been subverted this book focuses on behavior by the candidates and in person audiences during the 2016 and 2020 general election debates It does so by using observational methods to consider nonverbal behaviors by candidates to establish on stage dominance and the observable audience reactions by the in person audience and their effect on those following the debates It is anticipated that The Audience Decides will allow for evaluation and reconsideration of how debates or whatever replaces them might not only entertain but also enlighten the most important part of representative democracy the voting public Ultimately it is hoped that debates will help the audience decide who their leader will be based upon substance not style
